TO: MUTUAL TEN BOARD OF DIRECTORS
FROM: MUTUAL TEN PRESIDENT
SUBJECT: DISCUSS AND VOTE TO APPROVE THE AWNING PERMIT FOR 10-260-K
DATE: TUESDAY, OCTOBER 20, 2020
CC: MUTUAL FILE

On Wednesday, September 23, 2020, the M10 Board approved the permit for 10-260-K to have an awning installed over the entry and along part of the front of the unit. The shareholder is requesting that the awning be extended across the front over the window area.

I move to approve the awning permit from AAA Awnings for Unit 10-260-K to extend across the front of the unit over the window area at the shareholder's expense and authorize the Physical Property Chair to sign the permit.
