**ANNUAL BUDGET REPORT<sup>1</sup>**  
**(Civil Code Section 5300)**

After thoughtful review and consideration, the Board of Directors has approved a budget for the fiscal year ending December 31, 2023, which it believes is reasonable and prudent to meet the funding needs of the Mutual 10. The assessments will be increased to \$266.47 per unit, per month effective January 1, 2023. A copy of the budget is enclosed for your review.

In accordance with Civil Code Sections 5550(b)(5) and 5560 the Board has adopted the budget along with the reserve funding plan as recommended in the Reserve Study performed by Association Reserves. The reserve study has been performed pursuant to Civil Code Section 5565 for the major capital components. Mutual 10's reserves account will be funded through assessments. A summary of the reserve report is enclosed. Copies of the full reserve study plan are available upon request at the GRF Administration Building.

The Board of Directors does not, at this time, anticipate the need to levy a special assessment for planned expenditures, but reserves the right in accordance with California Civil Code to approve a special assessment for unplanned major expenses, if necessary, in the upcoming fiscal year.

The Board of Directors has not deferred repairs or replacement of any major component with a remaining life of 30 years or less. Or the Board of Directors has deferred the repair or replacement of the following major components:

This is an Update "No-Site-Visit", and is based on a prior Report prepared by Association Reserves. No site inspection was performed as part of this Reserve Study.

This Reserve Study was prepared by a credentialed Reserve Specialist, Sean Erik Andersen, PRA, RS #68.

The Reserve Fund is between the 30% funded level and the 70% funded level at 51.2 % Funded, which is a fair position for the fund to be in. This means that the association's special assessment & deferred maintenance risk is currently medium. The objective of your multi-year Funding Plan is to Fully Fund Reserves and ultimately achieve a position of strength in the fund, where associations enjoy a low risk of Reserve cash flow problems.

The Annual Deterioration rate for your Reserve Components is \$308,986.

Based on this starting point, your annual deterioration rate, your anticipated future expenses, and your historical Reserve contribution rate, our recommendation is to maintain your Reserve contributions at \$31,500.

\*The Alternative Contribution rate, also called Baseline Funding will keep the Reserve Funds above \$0. This figure for your association is \$26,500.

## **BILLING AND COLLECTION PROCEDURES FOR THE MUTUAL 10 CORPORATION OF SEAL BEACH LEISURE WORLD**

Prompt payment of your Regular Assessment and Property tax is essential to the financial health of your Mutual and enhances the value of your ownership in the corporation. In addition to the monthly regular assessment, you may have other charges, i.e. cable service or Service Repair Orders, charged to your account. Upon rare occasions, a special assessment may be levied by your Mutual. Your respective Board of Directors takes seriously its obligation to enforce the collection procedures set forth pursuant to the terms in your shareholder Occupancy Agreement. The presentation of this procedure is intended to fulfill your Board of Director's obligation to notify you under Section 5310(a)(7) of the California Civil Code.

# **NOTICE ASSESSMENTS AND FORECLOSURE**

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

## **ASSESSMENTS AND FORECLOSURE**

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure, or without court action, often referred to as non-judicial foreclosure. For liens recorded on and after January 1, 2006, an association may not use judicial or non-judicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or non-judicial foreclosure subject to the conditions set forth in Article 3 (commencing with Section 5700) of Chapter 8 of Part 5 of Division 4 of the Civil Code. When using judicial or non-judicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections 5700 through 5720 of the Civil Code, inclusive)

In a judicial or non-judicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use non-judicial foreclosure to collect fines or penalties, except for costs to repair common area damaged by a member or a member's guests, if the governing documents provide for this. (Section 5725 of the Civil Code)

The association must comply with the requirements of Article 2 (commencing with Section 5650) of Chapter 8 of Part 5 of Division 4 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5675 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5660 of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 5685 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

## **PAYMENTS**

When an owner makes a payment, the owner may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The mailing address for overnight payments is listed below. (Section 5655 of the Civil Code)

Seal Beach Mutual 10  
P.O. Box 60017  
City of Industry, CA 91716-0041

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise.

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section 5900) of Chapter 10 of Part 5 of Division 4 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section 5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5685 of the Civil Code)

## **MEETINGS AND PAYMENT PLANS**

An owner of a separate interest that is not a time-share interest may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exists. (Section 5665 of the Civil Code)

The board must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform to the payment plan standards of the association, if they exist. (Section 5665 of the Civil Code)

## **INFORMATION REGARDING CALIFORNIA CIVIL CODE SECTIONS 5920 and 5965 CONCERNING INTERNAL DISPUTE RESOLUTION PROCEDURE AND ALTERNATIVE DISPUTE RESOLUTION**

Civil Code Section 5920 requires that you be notified concerning Internal Dispute Resolution Procedure (IDR) and that we furnish you with the following information concerning the provisions of the Code Section, usually at the time that the budget is delivered, or some other convenient time as specified by the Civil Code. The provisions, in summary form, are as follows:

## **INTERNAL DISPUTE RESOLUTION PROCEDURE**

1. The Internal Dispute Resolution Procedure (IDR) is set forth commencing with Civil Code Section 5915 and requires the association to provide an expeditious procedure for the determination of disputes between the association and any resident. The sections therein require the following: (a) any party may submit a written request to “meet and confer” in an effort to resolve the dispute, (b) a member of an association may refuse a request to meet and confer; the association may not refuse a request to meet and confer, (c) the board shall designate a member of the board to meet and confer, (d) the parties shall meet promptly at a mutually convenient time and place, explain their positions to each other, and confer in good faith in an effort to resolve the dispute, and (e) a resolution of the dispute agreed to by the parties shall be put in writing and signed by the parties, including the board designee on behalf of the association.

A member of the association may not be charged a fee to participate in the process.
  
3. As required by Civil Code Section 5920, Mutuels that have adopted their own IDR process pursuant to California Civil Code Section 5910 shall include a description of said IDR process in their individual budget reports.

**MUTUAL OPERATIONS****MUTUAL ADMINISTRATION****Internal Dispute Resolution – IDR – Except Mutual Twelve**

California Civil Code §5910 and §5915 provides that the Mutual Boards shall provide a “fair, reasonable and expeditious” procedure for resolving disputes between the Mutual and its members without charging a fee to the member participating in the process. The process is referred to as “Internal Dispute Resolution” (IDR) or “Meet and Confer.”

- (1) The member may request the Mutual Board to meet and confer in an effort to resolve a dispute. The request shall be in writing.
- (2) A member may refuse a request to meet and confer with the Board of Directors. The Board of Directors may not refuse a request to meet and confer with the members.
- (3) The Board of Directors shall designate a minimum of two (2) Board Directors to meet and confer with the member. The member may bring another person and/or legal representative to the meet and confer.
- (4) The parties shall meet promptly at a mutually convenient time and place to explain their positions to each other in an effort to resolve and dispute.
- (5) Any proposed resolution of the dispute shall be memorialized in writing and brought to the next Mutual Monthly Meeting for the Board’s consideration and final approval.
- (6) All such IDRs are considered to be confidential and may only be discussed in Executive Session.
- (7) Any final agreement between the Board of Directors and the member shall be in writing and signed by all parties.

## ALTERNATIVE DISPUTE RESOLUTION

1. Prior to filing a civil action either by Golden Rain Foundation, a Mutual or by an owner of a Mutual share, which action is solely for declaratory, injunctive, or writ relief, or for that relief in conjunction with a claim for monetary damages not in excess of the jurisdictional limits stated in Sections 116.220 and 116.221 of the Code of Civil Procedure, Civil Code Section 5930 requires that the parties shall endeavor to submit their dispute to Alternative Dispute Resolution (ADR), such as mediation, arbitration, conciliation, or other non-judicial procedure that involves a neutral party in the decision-making process. This section does not apply to a small claims action or, except as otherwise provided by law, to an assessment dispute.
2. The form of alternative dispute resolution may be binding or non-binding at the option of the parties. Any party to such dispute may initiate the process by serving upon all other parties to the dispute a "REQUEST FOR RESOLUTION." The Request for Resolution shall include all of the following: (a) A brief description of the dispute between the parties; (b) A Request for Alternative Dispute Resolution; (c) A notice that the party receiving the Request for Resolution is required to respond thereto within thirty (30) days of receipt or the request will be deemed rejected; and (d) If the party on whom the request is served is the owner of a separate interest, a copy of Civil Code 5925 et seq. shall be provided.
3. The service of the Request for Resolution shall be either by personal delivery, first class mail, express mail, facsimile transmission, or other means reasonably calculated to provide actual notice to the party on whom the request is served.
4. The party receiving the Request for Resolution shall have thirty (30) days to accept or reject the request. In the event no such response is received, the Request is deemed "rejected."
5. If the party on whom a Request for Resolution is served accepts the request, the parties shall complete the alternative dispute resolution within ninety (90) days after receipt of the acceptance by the party initiating the request, unless this period is extended by written stipulation signed by both parties.
6. The costs of the alternative dispute resolution shall be borne by the parties.
7. If a Request for Resolution is served before the end of the applicable time limitation for commencing an enforcement action (as defined by Civil Code §5925(b) the time limitation is tolled during the following periods: (a) The period provided in Section 5935 for response to a Request for Resolution, (b) If the Request for Resolution is accepted, the period provided by Section 5940 for completion of alternative dispute resolution, including any extension of time stipulated by the parties pursuant to Section 5940.
8. At the time of commencement of an enforcement action (as defined in Civil Code §5925(b)), the party commencing the action shall file with the initial pleading a certificate stating that one or more of the following conditions is satisfied: (1) Alternative dispute resolution has been completed in compliance with this article; (2) One of the other parties to the dispute did not accept the terms offered for alternative dispute resolution; (3) Preliminary or temporary injunctive relief is necessary.

Failure to file a certificate pursuant to Civil Code §5950 is grounds for a demurrer or a motion to strike unless the court finds that dismissal of the action for failure to comply with this article would result in substantial prejudice to one of the parties.

9. After an enforcement action (as defined in Civil Code §5925) is commenced, on written stipulation of the parties, the matter may be referred to alternative dispute resolution. The referred action is stayed. During the stay, the action is not subject to the rules implementing subdivision (c) of Section 68603 of the Government Code. The costs of the alternative dispute resolution shall be borne by the parties.
10. In an enforcement action (as defined by Civil Code 5925(b)) in which fees and costs may be awarded, the court, in determining the amount of the award, may consider whether a party's refusal to participate in alternative dispute resolution before commencement of the action was reasonable.
11. Except on agreement by the parties to the contrary, anything said, or admissions made in the course of alternative dispute resolution shall not be admissible into evidence in a trial. Documents prepared in preparation for or during the course of alternative dispute resolution shall not be admissible into evidence and disclosure of those documents may not be compelled in a civil action.
12. Failure of a member of the association to comply with the alternative dispute resolution requirements of Section 5930 of the Civil Code may result in the loss of your right to sue the association or another member of the association regarding enforcement of the governing documents or the applicable law.
