Article I – Governance and Corporate Structure

Section 1.1 – Governance.

Seal Beach Mutual No. Ten (10) is a stock cooperative housing corporation organized under the California Corporation Law (“Mutual”) and is a General California Corporation providing housing on a non-profit basis. The Mutual is comprised of two hundred seventy-six (276) shares of stock. The Golden Rain Foundation is not a housing corporation, but a corporation that manages the shared community facilities. Each owner of a share of stock in the Mutual (hereinafter “Shareholder”) is a shareholder of the mutual as well as a member of the Golden Rain Foundation. The Mutual has its own set of governing documents, filed with the Secretary of State and transferred to each shareholder through escrow.

Section 1.2 – Senior Housing Development.

According to California Civil Code § 51.3, in order to reside in a senior housing development at least one (1) occupant must be fifty-five (55) years of age or older; all other persons who reside must be at least fifty-five (55) years of age, unless the other occupant is: (i) a spouse or registered domestic partner; or (ii) a primary provider of physical health care. Any person wishing to reside in the community must meet the above qualifications and obtain prior approval from the Board of Directors.

Section 1.3 – Governing Documents.

The Mutual’s governing documents include these Rules and Regulations, the Articles of Incorporation, Bylaws, and an Occupancy Agreement between the Mutual and each Qualifying Resident (hereinafter collectively the “Governing Documents”). The Mutual leadership consists of a five (5) member Board of Directors (hereinafter “Mutual Board”), elected by the shareholders of the Mutual.

Section 1.4 – Golden Rain Foundation.

The purpose of the Golden Rain Foundation (“GRF”) is to develop and maintain facilities and services, acting as Trustee of the Golden Rain Foundation. This includes recreational facilities, security gates, bus transportation system, and community center. GRF acts under a separate management agreement with each mutual within Leisure World. One (1) shareholder is elected by the Mutual shareholders to serve on the Board of Directors of the GRF.

Section 1.5 – Additional Definitions.

As used herein, the following terms shall have the meanings prescribed below.

1.5.1 – Qualifying Resident. “Qualifying Resident” shall mean any person who: (i) meets the age requirements as set forth in California Civil Code § 51.3 et seq.; (ii) has been approved by the Mutual Board for occupancy of a Unit, pursuant to the terms of the Governing Documents; (iii) is a Shareholder of the Mutual; and (iv) resides in a Unit.

1.5.2 – Unit. “Unit” shall mean a dwelling unit owned by the Mutual, which a Qualifying Resident has the exclusive right to occupy pursuant to the Occupancy Agreement between the Mutual and Qualifying Resident.

1.5.3 – Qualified Permanent Resident. Any person who meets the requirements as set forth in California Civil Code § 51.3 et seq.

Article II – Resident Regulations

Section 2.1 – Co-Occupant.

The community facilities of the GRF are maintained for the use of members of GRF and Qualifying Residents of the Mutual(s), including:

2.1.1 – Co-Occupants.

a. Senior citizens, as defined in California Civil Code § 51.3 (b)(1), who are not Shareholders of the Mutual, but are approved by the Mutual to reside with a Qualifying Resident, shall be entitled to use all of the community facilities upon payment of a fee equal to the Amenities Fee.

b. In order to comply with Section 51.3 of the California Civil Code, the following people may reside in the Mutual: (i) a person who is 55 years of age or older; (ii) a person who has completed the Co-Occupant Application; (iii) a person who has written authorization from the Mutual President, or any Mutual Officer so designated by the Mutual President, to reside in the Unit; (iv) a person who has paid the required Amenities Fee to the GRF.

c. All persons applying to be a Co-Occupant shall participate in a Mutual conducted orientation.

2.1.2 – Qualified Permanent Residents. Qualified Permanent Residents are persons who are not senior citizens as defined in Civil Code § 51.3(b)(1), who can present proof that they are eligible to be classified as Qualified Permanent Residents under Civil Code § 51.3(b)(2). Such Qualified Permanent Residents shall be entitled to use all of the community facilities upon payment of a fee equal to the Amenities Fee. All persons applying to be a Qualified Permanent Resident shall participate in a Mutual conducted orientation.

Section 2.2 – Personal Property Liability Insurance.

All Shareholders (whether residing in the Unit or not) must carry general liability insurance (either in the form of an HO6 policy or a renter’s policy) with proper liability coverage. The general liability insurance policy shall cover the entirety of the contents within the Unit, any damage to the interior of the Unit, any damage to property owned by third parties, and any personal injury occurring in the Shareholder’s Unit or adjacent property, for which the Shareholder is responsible. The general liability insurance policy requirements are set out below. The Shareholder shall: (i) obtain and maintain a general liability insurance policy, at their sole expense; (ii) be liable for the cost of any deductible their policy has with respect to any claim for which a Shareholder is insured and is liable; and (iii) obtain general liability insurance in an amount sufficient to cover personal injury to other persons who may be injured in their Unit or on other property for which the Shareholder is responsible, but in no event less than three hundred thousand dollars (\$300,000.00).

The Shareholder and/or Qualifying Resident must provide the Mutual with proof of insurance within thirty (30) days from the date the Qualifying Resident executes the Occupancy Agreement. The Shareholder is not relieved of any liability due to the Shareholder's failure to insure their property.

Notwithstanding any other provision in the Governing Documents, each Shareholder shall be liable for their own negligent or intentional actions resulting in damage to property or personal injury, including the cost of any Mutual insurance deductible that Shareholder causes the Mutual to incur. The Shareholder is solely responsible for the cost of any damage caused by their own negligent or intentional actions, including repairing or replacing any damage they cause to any personal property in the unit, including without limitation, furnishings, interior improvements, floor and wall coverings, appliances, fixtures and any damage to the unit, any other unit, or the building caused by water intrusion from whatever source, fire, or any other cause.

The Mutual shall only be responsible for the routine maintenance, repair, or replacement of Common Areas or facilities and for its own or its agents' and employees' negligent or intentional acts. Shareholder is responsible for any damage caused by the failure of Shareholder's non-standard fixtures, appliances and plumbing systems.

Although a Shareholder may be unable to occupy the Unit while repairs are being made, the Shareholder shall, nonetheless, be responsible for any living expenses incurred during repairs and the monthly assessment on the Shareholder's Unit regardless of who caused the damage. The Shareholder, may, however, be indemnified by any and all individuals and entities who are liable for the damage making the Unit uninhabitable.

2.2.1 – Duplicate Copies. Duplicate copies of the insurance policies required under the Governing Documents shall be submitted by a Shareholder to the Board upon request. Notwithstanding the foregoing, the Mutual shall not have the obligation to confirm that any Shareholder carries the insurance required under the Governing Documents and/or confirm the terms of any insurance purchased by a Shareholder.

Section 2.3 – Permitted Use.

In addition to any restrictions set forth in the Governing Documents, the Shareholder's use of the Unit shall comply with the following provisions: (a) use of the Unit shall comply with applicable laws and zoning ordinances; (b) the Shareholder's use of the Unit shall not involve activities or practices that would increase the insurance liability or insurance premiums of the Mutual; (c) the Shareholder's use of the Unit is consistent with the residential character of the Community; (d) there shall be no advertising displays or inordinate amount of delivery of mail or merchandise to the Unit; (e) Shareholder's use of the Unit shall not involve the use of commercial vehicles for the delivery of materials to or from the Unit beyond those commercial vehicles normally associated with residential uses; (f) there shall be no outdoor storage of materials or equipment, nor shall merchandise be visible from outside the Unit; and (g) activities conducted and equipment or material used shall not change the fire safety or occupancy classifications of the Unit.

Section 2.4 – Nuisance.

The Qualifying Resident shall not and shall not permit any person residing in, occupying or visiting the Unit to maintain an item within the Community or use the Unit in any way or engaged in conduct which: (a) interferes with or disturbs other Qualifying Residents and/or Shareholders' quiet or peaceful enjoyment of the Community; (b) unreasonably annoys or interferes in the operation and management of the Mutual by unreasonably annoying, harassing or interfering with any Officer or Director of the Board of Directors; (c) causes noise, fumes and/or odors, or behavior that unreasonably annoys or interferes with the quiet use and enjoyment of other Qualifying Residents and/or Shareholders of the Mutual; (d) obstructs or interferes with the rights of other residents; (e) obstructs the roads, sidewalks or areas within the Common Area of the Community; (f) annoys, harasses or interferes with any visitor, guest, invitees, vendor, management, contractor, and/or similar contracted vendor retained by the mutual and/or the GRF; and (g) in any other way breaches this Agreement and/or the Governing documents of the Mutual.

Section 2.5 – Inspection of Vacant Units.

Any vacant, unoccupied or seasonal-use unit in Mutual Ten shall be inspected every ninety (90) days by a GRF Building Inspector and a Mutual director. Inspections shall be conducted quarterly. The inspection may be waived during the quarter that the Fire/Safety Inspection is conducted. There may be a maintenance/inspection charge for vacant, unoccupied or occasional use Units.

The inspection of vacant units for sale, unoccupied and seasonal-use units will be posted at least seventy-two (72) hours in advance of the inspection.

Section 2.6 – Smoking.

The Mutual No. Ten Occupancy Agreement ("Occupancy Agreement") provides that Shareholders shall not interfere with the rights of other residents and that Shareholders shall not commit or permit any nuisance within the Mutual.

The emission of secondhand smoke from devices including, but not limited to cigarettes, cigars, pipes, hookahs or similar items, may create conditions that interfere with the use and enjoyment of other Shareholders and Qualifying Resident's units, thereby constituting a nuisance. Thus, all Shareholders, Qualifying Residents, guests, and invitees must comply with the following, regarding secondhand smoke within the Mutual:

2.6.1 No Shareholder and/or Qualifying Resident/occupant/guest within the Mutual shall cause a nuisance to any other occupant due to their smoking of any substance.

2.6.2 Any nuisance caused by a Shareholder and/or Qualifying Resident/occupant/guest shall be treated by the Mutual as a violation of these Rules and the Occupancy Agreement.

2.6.3 In the event that any new Shareholders anticipate that there may be any secondhand smoke within their Units, such Shareholders shall have their Units insulated at the close of escrow, paid for by the new Shareholders.

2.6.4 All insulation of Shareholder Units as set forth in this Section 2.6 shall be conducted by GRF and/or a vendor of GRF, who will then invoice the Shareholder for the cost.

2.6.5 In no case shall the Mutual pay for the insulation of a Unit, and/or the mitigation of the effects of a Shareholder and/or Qualifying Resident/occupant/guest secondhand smoke.

2.6.6 Any damages and/or liability arising from the emission of secondhand smoke in violation of this rule by a Shareholder and/or a Qualifying Resident/occupant/guest, will be borne by the Shareholder and/or Qualifying Resident of the offending Unit.

2.6.7 There shall be no smoking of any kind on a porch that is not enclosed with glass and insulated. There shall be no smoking of any kind on a porch enclosed with screen material.

2.6.8 Upon the complaint of any Shareholder and/or a Qualifying Resident/occupant/guest regarding a potential nuisance due to secondhand smoke, the Mutual and/or GRF will conduct an informal investigation regarding the allegations and facts. Following the investigation, if GRF and/or the Mutual deems the complaint to be valid, the Shareholder who is the subject of the complaint will be provided the opportunity to insulate their Unit, at their expense. If the Shareholder elects not to insulate the Unit or take any other steps toward resolving the issue, the Board may call the Shareholder to a hearing regarding the complaint, with proper notice. If, after the hearing, a determination is made by the Board that the Shareholder and/or a Qualifying Resident/occupant/guest is causing a nuisance due to secondhand smoke and/or other noxious odors within their Unit, the Board can require, in its sole discretion, that the Shareholder shall have their Unit insulated at Shareholder's expense. The Board may also impose additional requirements for mitigating the issue, and/or take any disciplinary action for a violation of these rules. All insulation shall take place within thirty (30) days of the agreement to insulate or a determination by the Board.

2.6.9 In the event of a violation of these rules, the Mutual reserves the right to pursue any remedy under the law and its Governing Documents, including, but not limited to, imposing a fine after notice and hearing, and engaging in internal dispute resolution pursuant to this regulation among other things.

2.6.10 If any Shareholder or Qualifying Resident believes that they are entitled to an exception to any of these rules as a reasonable accommodation of a disability, they may submit such a request. All requests will be considered on a case-by-case basis.

Section 2.7 – Internal Dispute Resolution.

California Civil Code §§ 5910 and 5915 provides that the Mutual Boards shall provide a “fair, reasonable and expeditious” procedure for resolving disputes between the Mutual and its members without charging a fee to the member participating in the process. The process is referred to as “Internal Dispute Resolution” (IDR) or “Meet and Confer.”

2.7.1 The Shareholder may request the Mutual Board to meet and confer in an effort to resolve a dispute. The request shall be in writing.

2.7.2 A Shareholder may refuse a request to meet and confer with the Board of Directors.

2.7.3 The Board of Directors shall designate a minimum of two (2) Board Directors to meet and confer with the Shareholder. The Shareholder may bring another person and/or legal representative to the meet and confer. The Shareholder must notify the Mutual if they are planning to bring another person and/or legal representative to the IDR. Should Shareholder fail to notify the Mutual of the attendance of another person and/or legal counsel, then the Mutual shall be entitled to reschedule the meeting time and date or such IDR.

2.7.4 The parties shall meet promptly at a mutually convenient time and place to explain their positions to each other in an effort to resolve any dispute.

2.7.5 Any proposed resolution of the dispute shall be memorialized in writing and brought to the next Mutual Monthly Meeting for the Board's consideration and final approval.

2.7.6 All such IDRs are considered to be confidential and may only be discussed in Executive Session.

2.7.7 Any final agreement between the Board of Directors and the Shareholder shall be in writing and signed by all parties.

Section 2.8 – Health Care Providers (Permitted Health Care Residents/Caregivers).

Permitted Health Care Residents who do not live within the Qualifying Resident’s Unit who use Mutual laundry facilities for their personal or family use will be permanently banned from the Mutual.

2.8.1.6 – Qualifying Resident’s Requirements. In order to establish that a Qualifying Resident requires live-in, long-term or terminal health care that is substantial in nature, providing either assistance with necessary daily activities, medical treatment or both, as set forth in Civil Code § 51.3, the Qualifying Resident must present written documentation from a physician, stating that the care described herein, as set forth in Civil Code § 51.3, is necessary. Such temporary parking permit must always be clearly displayed on dashboard of the Permitted Health Care Resident's vehicle.

2.8.2 – Caregivers.

2.8.2.1 – Definition. A Caregiver shall mean a non-shareholder hired or identified by a Qualifying Resident as providing part-time or full-time support or care for the Qualifying Resident. This person must be registered with GRF Stock Transfer. Caregivers are not permitted to reside in the Mutual unless they qualify as a Permitted Health Care Resident pursuant to Civil Code § 51.3 or are otherwise qualified as Co-Occupant or Qualified Permanent Resident pursuant to the Mutual Governing Documents.

2.8.2.2 – Business License. The Mutual recommends that all Caregivers have a valid business license, issued by the City of Seal Beach and/or work for an agency with a valid business license, issued by the City of Seal Beach.

2.8.2.3 – Driver's License. Any Caregiver providing support or care to a Qualifying Resident in the Mutual must have a valid driver's license if driving a vehicle into Leisure World.

2.8.2.4 – Pass and Badge Requirements. All Caregivers, as an individual, or through an agency, must apply and receive a Caregiver's pass and clear badge holder through the GRF Stock Transfer Office. The Pass must: (i) be renewed every six (6) months; (ii) be worn in clear sight at all times; and (iii) may not be transferred or lent to anyone.

2.8.2.5 – Caregiver's Prohibited from using Laundry Facilities. Caregivers shall not use the washers and dryers for personal use and may only use laundry facilities for Qualifying Resident's laundry. family members or friends, to the Unit or anywhere within the Mutual. Caregivers shall not bring any pets into the Mutual and/or Leisure World. Caregivers shall not utilize any Mutual and/or GRF community facilities.

2.8.2.7 – Caregiver Parking. If a Qualifying Resident does not own a vehicle, the Qualifying Resident’s Caregiver may use the carport space associated with the Qualifying Resident’s Unit, for purposes of parking their own vehicle, only after obtaining a temporary parking permit through the GRF Stock Transfer Office. Such temporary parking permits must always be clearly displayed on dashboard of the Caregiver’s vehicle.

Section 2.9 – Listing Inspections and Withdrawal Fee.

The Mutual shall charge a fee, as set forth in Article XV, Section 15.7 of these Rules, for the inspection process when a Share of Stock is listed for sale.

A Shareholder who wishes to sell their Mutual Stock must first obtain Board waiver of option before the Stock is listed for sale. The Board of the Mutual requires that any Broker who accepts a listing of Stock must complete the following steps before this listing is executed: (i) Deliver to the Stock owner, requesting the listing, a copy of the Mutual Waiver of Option form. Notify the Shareholder that this form must be executed by the Mutual before the listing can be taken; (ii) Explain to the selling Shareholder that a listing inspection will be made. Give the Shareholder a blank copy of the inspection form; (iii) Upon completion of the inspection, a copy of the completed inspection form will be sent to the selling Shareholder; and (iv) When the selling Shareholder receives the completed inspection form, they should contact the Sales Representative that initially made contact and supplied the listing form. All non-compliance items listed on the listing inspection form may be negotiated in “as-is” purchases.

Section 2.10 – Escape Tax Deposit.

In order to avoid escaped property tax due to the County Assessor’s Office upon the death of a Shareholder, funds of five thousand dollars (\$5,000.00) will be withheld in escrow to cover the escaped property tax whenever a sale of a certificate is by an estate or heir of the deceased Shareholder or co-owner of the Stock. These funds will be held in a separate account from the Withdrawal Inspection Deposit.

Section 2.11 – Shareholder Changes.

When applying to become a Qualifying Resident in the Mutual, outside the parameters of the usual escrow closing procedure as established by the GRF and/or Mutual, and/or whenever an additional person is added to the Stock as a Qualifying Resident, that person shall be notified by the Stock Transfer Office that the following procedures must be followed before such person may become a Qualifying Resident, and occupy the Unit.

A request to waive this fee can be made, at the discretion of the Board, if the inspection is not more than two (2) years old. The inspection must be on file with the Physical Property Department. This does not pertain to fire inspections or any life-safety inspection. The request can be made in the Stock Transfer Office.

An inspection must be performed by the Physical Property Department at the established fee of two hundred fifty dollars (\$250.00) and the cost of any required maintenance or corrective work is to be determined in accordance with the Qualifying Resident's Occupancy Agreement and Mutual Rules. Any needed work that is the responsibility of the Mutual shall be performed by the GRF Service Maintenance Department.

Non-standard items needing repair are to be accomplished by the prospective Qualifying Resident. Whenever any corrective work (which would be applicable if there was an escrow involved) is needed to bring a unit into compliance with Mutual regulations, and the corrective work is the responsibility of a Qualifying Resident, the corrective work shall be completed by the Qualifying Resident and/or the prospective Qualifying Resident prior to the prospective resident shareholder being added to the stock.

Prospective Qualifying Resident will be informed by the Stock Transfer Office of any monies owed on the Unit. This information will be supplied by the Accounting Department and the Physical Property Department.

The Stock Transfer Office will ensure that all standard procedures and documents are completed and verified in accordance with Mutual and GRF requirements. Also, ensure that a new buyer orientation will be performed by member(s) of the Board.

Section 2.12 – Lock Resolution.

All locking devices on any original entrance door of a Unit must be master-keyed to the original keying system for the Mutual. Locking devices installed on the entrance door of a Unit that do not comply must be removed at the expense of the Qualifying Resident or, in the alternative, a GRF lockbox, with an approved red reflector strip attached, containing the key to the front door of the Unit, may be attached to a conspicuous location near the entry door of the Unit ("Lockbox"). If a second gate with a lock is added at the entrance to the porch, a second GRF Lockbox will be required for the second lock. Such Lockbox cannot be located at a distance of higher than six (6) feet off the ground. In the event that a locking device does not meet the standards of the Mutual set forth in this Section, and the nature of an emergency requires the Mutual to enter the Unit, the agents and employees of this Mutual are authorized to gain entry by any reasonable means and the expense of repair, if any, shall be the cost of the Qualifying Resident and/or Shareholder.

Section 2.13 – Plumbing Stoppages.

Mutual Ten shall not pay for any single stoppages of a unit's kitchen sink, bathroom sink or toilet due to negligence. All back-to-back, side to side or building stoppages will be paid for by the mutual.

Section 2.14 – Pest Control.

The Mutual shall be responsible for annual termite inspections, setting rodent bait stations throughout the Mutual, mole, gopher and skunk control, and the removal of bee(s) (includes carpenter bees), wasps' nests and yellow jacket hives, and fleas infesting a Common Area.

The Shareholder is responsible for the treatment of ants, roaches, silverfish, mites, gnats, mosquitoes, flies, vinegar flies, pantry pests, weevils, spiders, earwigs, crickets, lizards, bed bugs, fleas, and any other indoor pest, within the interior of the Unit. The Mutual shall be responsible for exterior treatments required for attics, porches, and garden areas. Shareholders requesting pest control services must contact a Mutual Director who will pass the request on to Service Maintenance. Pest control services are provided weekly. The Mutual Director will inform the Shareholder of any monetary responsibility for such pest control and schedule the Shareholder request for the next weekly visit.

Any request regarding bed bug treatment will be reported immediately by the Building Inspector to the pest control company and will involve an additional charge to the Shareholder for a special service call. If the Shareholder requests immediate service, a “service charge” will be added to their bill.

Section 2.15 – Service Maintenance Requests.

All standard services are to be performed at the expense of the Mutual, so long as such requirement for maintenance is not a result of negligence on the part of the Shareholder. Any request for service must be made to the building director responsible for that building within the Mutual. If a Shareholder requires emergency Service Maintenance services during After Hours (4:30 p.m. to 8:00 a.m.), or on the weekend (Saturday and Sunday), a request for Service Maintenance services may be made directly by the Shareholder to Security and the cost of such services will be billed to the Mutual or to the Shareholder depending on the nature of the service.

Service Maintenance personnel are dispatched as staff are available, except for emergency services, which are responded to as soon as personnel is available. Examples of emergency services are: (i) plumbing stoppages; (ii) water line breaks; (iii) and electrical outages. Service Maintenance personnel are bonded and entry into an apartment with a passkey can result in quicker and less costly service. Shareholders should authorize passkey entry into their Unit for maximum service.

The Mutual requests that Shareholders do not make arrangements directly with the individual servicemen with whom they come into contact with. The Mutual requests that Shareholders do not contact the Service Maintenance Superior directly, unless it is absolutely necessary; thus, ensuring the most efficient and effective service.

Should the Shareholder request an appointment for repair from the Service Maintenance department and cancel or fail to use such appointment, the Shareholder will be charged the current hourly charge for such cancelled or unused appointments.

Section 2.16 – Sign Regulations.

2.16.1 – Commercial Signs. Commercial signs are prohibited in the Mutual, except a Shareholder is permitted to display one (1) “for sale” sign, advertising their Unit for sale, inside a window, as long as the sign has a white background, black or blue lettering, and does not exceed fifteen inches (15”) by eighteen inches (18”) in size.

2.16.2 – Noncommercial Signs. Noncommercial signs, posters, flags, or banners which meet the below requirements may be displayed as follows: (a) from the inside of a Unit window; or (b) from a Unit porch, provided that (i) the display does not block or impede ingress or egress via any designed accessway to the Unit, and (ii) the display is not attached to any Mutual property, including to the exterior walls of the building.

A noncommercial sign, poster, flag, or banner may be made of paper, cardboard, cloth, plastic, or fabric, but may not be made of lights, roofing, siding, paving materials, flora, or balloons, or any other building, landscaping, or decorative component, including the painting of architectural surfaces.

Noncommercial signs or posters may not be larger than nine (9) square feet in size and noncommercial flags or banners may not be larger than fifteen (15) square feet in size.

Notwithstanding the foregoing, display of noncommercial signs, posters, flags, or banners may be restricted or prohibited as required for the protection of public health or safety, or if the posting would violate a local, state, or federal law.

2.16.3 – Flags. Noncommercial flags meeting the requirements set forth above may also be displayed from flag poles attached to the building exterior so long as the flagpole is attached via standard flagpole bracket and the display does not (i) exceed the boundaries of the permitted flowerbed area, or (ii) unreasonably interfere with maintenance of the flowerbed area by the Mutual’s landscapers.

Freestanding flagpoles shall not fall under this Policy but shall be permitted pursuant to Article V, Section 5.23 of these Rules.

2.16.4 – Noncompliance. Noncompliance with this Policy will result in penalty. See Article XVI, Section 16.1.2 of these Rules and Regulations. Repeat offenders may be subject to legal action. For offenses that are in violation of City, State, or Federal laws, the appropriate authorities may be contacted.

2.16.5 – Notification of Violation and Right to Hearing. See Article XVI, Section 16.1.2 of these Rules.

No Shareholder shall make any structural alterations in the Unit or Mutual premises, or in the garden water supply, electrical conduits, plumbing or other fixtures connected therewith, or remove any additions, improvements or fixtures from the Unit or Mutual premises, without the prior written consent of the Mutual and GRF. Detailed plans for a golf cart pad and/or gates must be submitted to the GRF Building Inspector at least three (3) weeks prior to a Board meeting and a building permit must be obtained.

Section 3.6 – Microwave Ovens.

A Shareholder may install a microwave in the kitchen of the Shareholder's Unit, at the Shareholder's own expense, in place of the stove hood. All built-in microwaves include an exhaust fan vented through the apartment unit's roof. Manufacturer's instructions can supersede Mutual's Rules. The installed microwave will be a permanent installation to be maintained by the Shareholder and on resale of the Mutual Share related to the Unit, the new Shareholder will assume responsibility for the maintenance.

Any roof that is under warranty and requires a vent must be installed by the roofing contractor. All venting must be galvanized pipe with a short flex line used for the connection to the appliance. This ensures that the appliance may be pulled out and serviced without breaking the vent seal. The contractor may cut a hole for the vent from within the attic but may not have access to the roof of the Mutual building. The contractor may cut a hole for the vent from within the attic and install the flash and approved damper cap on the roof. An insulation inspection must occur to verify the presence of the soundproofing if on a common wall before the GRF Building Inspector will sign off on the project. If they are an integral part of the bathtub/Jacuzzi, they must be disabled if they do not meet this sound level; (vi) a non-standard fifty (50) gallon water heater shall be installed with a re-circulating pump for the bathtub/Jacuzzi unless an alternate source for maintaining adequate hot water temperature at the bathtub/Jacuzzi is provided such as a tank-less booster water heater at the bathtub/Jacuzzi. The Mutual is not responsible for any damage, loss and/or theft of the contractor's tools.

Section 3.11 – Demolition.

The contractor must, at all times, have an approved, fully charged and visible fire extinguisher on-site. When a Unit is remodeled, the architect, engineer, and/or contractor shall design and construct all the ceiling systems in such a way that allows for a minimum of one inch (1") unobstructed flow of air from the eave vents up to the ridge vent. No framing material or insulation shall obstruct this air flow. If the insulation is going to close this one inch (1") space, then a plastic baffle shall be installed to maintain it. No wood trim or coverings will be allowed on the exterior. Only termite resistant products shall be allowed on the exterior finish. Cement fiber trim and hard panel siding are standard. However, composites may be reviewed by the Mutual Board for approval. The only wood to remain for an exterior remodel is the original roof overhang that includes vent blocks, rafters, fascia, and plywood. If these are damaged or repaired by the contractor, the contractor shall replace wood to match existing and paint to match. Wood must be primed and painted with the approved paint. The Mutual will maintain the maintenance responsibility for the exterior wood members upon completion and approval of the work.

Section 3.17 – Insulation/Sound Proofing/Fireproofing.

All common walls shall be insulated for soundproofing and fireproofing. The common walls, when open in a remodel, shall be upgraded to include soundboard or other means to control sound transference through common walls. Any penetrations for plumbing or electrical shall be sealed

with approved fireproof sealant or approved spray foam. All electrical boxes in common walls shall be metal.

Section 3.18 – Flooring.

Shareholders may replace flooring within their Units. Both interior and patio/porch floor covering, including carpet require a GRF Building Permit. The Shareholder assumes full responsibility for any damage to their Unit or any adjacent unit incurred as a result of a dishwasher, whether built-in or portable in their unit. The installation of a flood alarm is recommended.

Section 3.20 – Appliances.

No appliance which is Mutual property may be sold, given away, or disposed of by the Qualifying Resident and/or the contractor. The Qualifying Resident or contractor must notify a director on the Mutual Board or the GRF Building Inspector to confirm what options are authorized. This notification must be made at least seven (7) days prior to the removal of the appliances. If any appliance is stored in the Unit, it must continue to be cleaned and left undamaged until the Mutual picks up the appliance. Mutual appliances/fixtures are defined as: cooktops, ovens, refrigerators (for all Occupancy Agreements executed prior to October 1, 2019), hoods, garbage disposals, water heaters, sinks, faucets, lighting fixtures and ceiling heater/vent/light units.

The Mutual prohibits exterior coverings to be attached to the building outside of the porch header or attached to rafter tails or building fascia.

Section 3.23 – Gutters.

A patch to a gutter is not permitted in any remodel which alters the gutter or moves a downspout. A contractor may reuse and modify the downspout. Full lengths of gutter without patches must be installed by the contractor. A contractor must contact the Mutual-approved roofer and have the roofer install full lengths of gutter without patches on new roofs that have gutters with one (1) seam at the middle of the building. The install will be at least one half (1/2) the entire length of the building without patches. Downspouts may be reused but will only be located as per the GRF Building Inspector’s direction.

Section 3.24 – Equipment Standards.

The Mutual has approved a revised standardization of appliances list. This list may be updated by the Purchasing Department from time to time as manufacturers improve, modify or replace models, thereby altering the current applicable model numbers. An updated standardized appliance list is available at the Purchasing Department. Updates are made to the list on a monthly basis.

3.24.1 – Smart Burners. In the interest of fire safety, the Mutual has replaced coil burners with smart burners on all standard Mutual cooktops. The Shareholder may not remove the smart burners from the cooktops or replace them with any other type of burner. The Shareholder shall be responsible for replacement costs if any of the four (4) Smart Burners are missing. Smart Burners are not required if the cooktop is fitted with fire protection coils. Smart coil burners or modern cooktops with smart coils may be used in place of the Smart Burners.

3.24.2 – Firestops for Ranges. Free standing cooking ranges installed as part of a renovation are required to include the attachment of a FireAvert device that will shut off the power to the range when a smoke alarm sounds.

Section 3.25 – Smoke Detectors.

When all or any remodel work is done to a Unit, ALL smoke detectors/alarms must be replaced with a Tamperproof 10-Year Sealed Lithium Battery-Operated Smoke Alarm and/or Hardwired Interconnected Smoke Alarm Sealed Lithium Battery Backup, where applicable, or an equal and equivalent device approved by the Mutual Board.

Section 3.26 – Performance Bonds for Construction Work over Ten Thousand Dollars.

Permits for any construction work performed in the Mutual valued at more than ten thousand dollars (\$10,000.00) shall require a Performance Bond. The bond shall provide sufficient funds in the event the work is not completed on time, in accordance to approved plans, and/or to the satisfaction of the Mutual, for any reason. Exceptions to this bond requirement are as follows: (i) the contractor is listed on the Physical Property list of vetted contractors; and (ii) the contractor has completed more than one hundred thousand dollars (\$100,000.00) per year in contracts in Leisure World for the last three (3) years.

Section 3.27 – Roof Leaks.

When a roof leak occurs in a Mutual building, and if a roofing contractor fails to effect warranty repairs within fifteen (15) working days from notification by the Physical Property Department, the Service Maintenance Department will make such repairs or hire another roofing contractor.

A Qualifying Resident should report any known or suspected roof leaks to the Mutual Board and/or the Service Maintenance Department. The leak will then be recorded in the Roof Leaks Log by the Physical Property Department. The Physical Property Department Secretary will report the leak to the appropriate GRF Building Inspector, and the GRF Building Inspector will initiate a Roof Leak Report. The GRF Building Inspector will determine whether the leak is under warranty and, if not, whether it is the responsibility of the Mutual or the Qualifying Resident to repair.

If the leak is under warranty, the GRF Building Inspector will provide written notice to the contractor holding the warranty. The contractor is given a period of fifteen (15) working days to repair the leak.

If the leak is not repaired within fifteen (15) working days by the contractor holding the warranty, the Inspector must notify the Service Maintenance Department to perform the work. Upon completion, the Service Maintenance Department will prepare a monthly status report on assigned roofs and will issue a copy to the Mutual and Physical Property Department and forward a service repair order to accounting to invoice the contractor. The Inspector will notify the Physical Property Department Secretary to record the job as complete in the Roof Leaks Log.

If the leak is not under warranty and is the responsibility of the Mutual, the GRF Building Inspector must report the leak to the Service Maintenance Department. The Service Maintenance Department will perform the work and prepare a monthly status report on assigned roofs and will issue a copy to the Mutual and Physical Property Department. The Service Maintenance Department will generate a service repair order and invoice. The GRF Building Inspector will notify the Physical Property Department Secretary to record the job as complete in the Roof Leaks Log.

Section 3.28 – Roof and Attic Access.

No person shall access the roof or attic areas of any building in the Mutual without the express permission and approval of the GRF Physical Property Department. Contractors with easements may enter without special approval. The only person within this Physical Property Department who may give such permission or approval is the GRF Building Inspector or the GRF Physical

Property Facilities Director, or their specific and assigned designees. This prohibition includes: (i) Any Shareholder, even if such Shareholder is an occupant of the building whose roof or attic is being accessed; (ii) Any other person related to, or associated with, any other resident or Shareholder such as a caregiver, a relative, or guest, and including any director sitting on the Mutual Board, including any two (2) or more such directors in concert; (iii) Any contractor of any sort for whom access had been requested or granted for an existing contract, any prior contract, or for the purpose of bidding on a future contract; and (iv) Any public official such as an inspector or other legal authority without proper, documented permission. Emergency circumstance to protect persons or property, of course, preempt any and all such restrictions and limitations.

Section 3.29 – Filled Concrete Block and Footings.

A Shareholder may apply to GRF to obtain a permit for the use of the “filled type” decorative blocks in enclosing porches. A Shareholder must acknowledge that sufficient footings will be placed under the edge of the slab where said blocks are to be installed, in order to adequately provide for the added weight on the slab.

Section 3.30 – Liners for Decorative Block Walls.

A Shareholder is not permitted to use organic materials, such as plywood, to line decorative block walls.

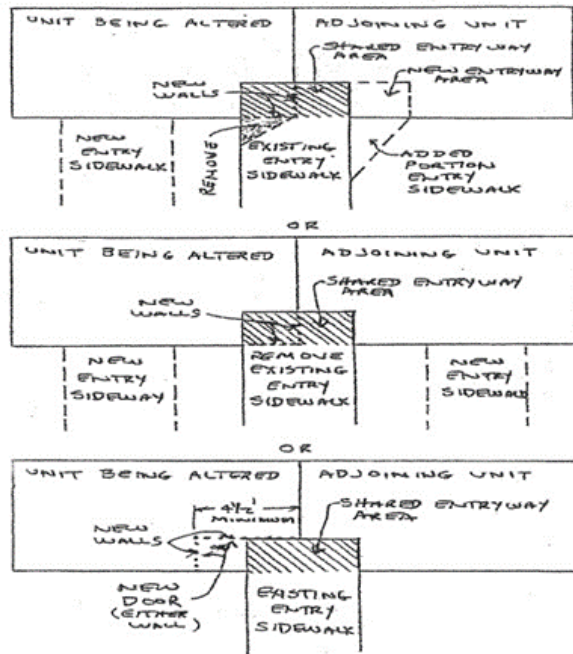

Section 3.31 – Bay Windows.

All bay windows presently covered with T-111 plywood, distressed plywood, or wood siding, and any other wood product that complements the bay windows such as corbels and decorative trim, shall be removed and replaced with stucco when the bay window framing and covering are infested with termites. All remodels that include bay windows shall be constructed with stucco as the exterior covering and shall be “bay to grade” construction. The expense of the entire remodel and “bay to grade” construction shall be the responsibility of the Shareholder.

All remodels that include bay windows shall be construed with stucco as the exterior coverings.

Section 3.32 – Common Entry Walkways.

When two (2) units are side-by-side and share a common entrance walkway and one (1) Shareholder wants to relocate their entry walkway, that Shareholder must obtain permission, in writing, from the Shareholder of the other affected adjacent unit. The entrance for the adjacent unit shall be relocated at the sole expense of the Shareholder whose unit is being altered to provide the minimum/maximum four feet (4’), six inches (6”). The total width will include three-inch (3”) buffers on each side if decorative stone is being used.

Section 3.33 – HVAC.

A Qualifying Resident may apply to install an air conditioning system within the Qualifying Resident’s Unit, at the Qualifying Resident’s expense. A licensed HVAC contractor must apply to the Physical Property Department for a permit to install the air conditioning system through the lower windows or wall. A Qualifying Resident’s applying for approval to install an air conditioning/heating system must comply with the following requirements:

3.33.1 Qualifying Resident shall install a concrete pad when installing any heating and air conditioning unit. Units must be masked from view and use of bricks or other material shall be approved by the Board of Directors on a case-by-case basis. A minimum of fifty percent (50%) air space should be maintained within the material for air circulation.

3.33.2 Qualifying Resident must ensure that any and all installed heating and air conditioning units have attic access from inside the Unit. The minimum size for attic access is twenty-two inches wide by thirty inches long (22” wide x 30” long). Qualifying Resident should refer to the California Mechanical Code for complete requirements. The condensation line shall terminate at the kitchen or bath sink as set forth in the Mechanical Code.

3.33.3 The City of Seal Beach requires an A-weighted sound calculation prior to the issuance of a building permit, and Physical Property requires this to be submitted prior to approval of said permit.

3.33.4 At the time of sale for a Unit during escrow, the HVAC system will be tested for proper function of the Unit, as well as adding attic access, as required pursuant to Section 3.34.2

of these Rules, if attic access does not already exist. A concrete pad shall be installed under the condenser and the condensate drain line shall be rerouted to the trap side of a sink if not done.

3.33.5 Permission is granted by the Board to the Physical Property Department to issue permits for installation of air conditioners through the lower windows. Any other areas considered for installation requires Board approval.

3.33.6 Permits are required for wall heaters. In all construction work where wall heaters replace the original heating source, metal conduit or armored cable shall be used for the last six (6) feet of line running from the breaker box to the wall heater(s).

Section 3.34 – Unsanitary Premises and Fire Loading Conditions.

Chapter 10 of the 1997 Uniform Housing Code § 1001.11, defines in part, hazardous or unsanitary premises as the accumulation of weeds, vegetation, junk, offal (decaying meat products), dead organic matter, debris, garbage, rat harborages, stagnant water, combustible materials, similar materials or conditions on the premises of the unit, or storage inside of the oven or on the stovetop or inside a microwave oven, which may constitute fire, health, or safety issues.

For purposes of this Section, unsanitary or rodent and insect inviting conditions or fire-loading conditions are described as the excessive acquisition and collection of large amounts of objects. Such collections of objects may include, but are not limited to, stacked paper goods, newspapers, books, magazines, mail, trash, stored cardboard boxes, plastic trash bags, food stuffs, cleaning aids, clothing and collectables, pet waste or unclean pet cages, and a lack of ingress and egress at windows and doors.

Qualifying Resident's shall not create an unsanitary or rodent and insect inviting condition or fire-loading conditions, as defined in this section or in Section 1001.11 of the 1997 Uniform Housing Code referenced above. Further, a Qualifying Resident shall not store within their Unit, or on their porch, any incendiary items such as grease, oil, gasoline, paint or paint thinner, or any other liquids or substances noted to be flammable, or any large amount of hobby materials. Working on hobbies in Unit or patio/porch will be permitted by the Board on a case-by-case basis, considering the health, safety, welfare, and aesthetics of all residents affected. Storage of construction materials, including but not limited to, stacked wood, siding, metal pieces, welding tools, or any items in support of conducting or practicing a business upon the premises, is also prohibited.

Section 3.35 – Unit Fire Inspections and Special Unit Inspections.

Each Unit will be inspected at the regular annual or bi-annual Mutual fire/safety inspection conducted by the Physical Property Department or any special inspection as ordered by the Mutual Board, with a duly posted seventy-two (72) hour notification to the Qualifying Resident. Any infractions will be indicated, and the Qualifying Resident will be informed by mail to cure the infraction within thirty-two (32) days of the date of the letter. A follow-up inspection of the premises will be conducted to assure compliance. At the time of inspection, the GRF Building Inspector will verify that the smoke detector(s) are within the ten (10) year maximum life and in working condition.

Section 3.36 – Temporary Relocation During Repair and Maintenance.

The Mutual shall not assume responsibility for relocating and/or housing Shareholders during the repair and maintenance of Common Area.

Section 3.37 – Maintenance Responsibility for Additions.

The Occupancy Agreement of each Shareholder and the Mutual shall provide for which party shall pay for necessary repairs, maintenance and replacements. Any repairs, maintenance, or replacement of any cosmetic or non-standard additions and/or alterations to the original Unit building structure shall be the responsibility of, and all charges and costs for the maintenance, repair or replacement of same be paid by the Shareholder of that Unit. Cosmetic items and non-standard additions and/or alterations shall include, but not be inclusive of etched or paned windows, non-standard front doors, decorative non-standard window/door framing or molding, skylights, brick or other material facing, non-standard electrical and lights, non-standard flooring, counters made of non-standard material, non-standard appliances and plumbing fixtures, non-standard bathroom fixtures, and non-standard cabinetry.

A copy of this Section 3.37, together with a list of all such cosmetic and non-standard additions and/or alterations added to the original Unit building, be attached to the escrow agreement between the existing Shareholder and the successor Shareholder in order to inform all new successor Shareholders of such items, and of their obligation for the ongoing maintenance, repair, and replacement of such items at their expense.

Further, the existing Shareholder, upon the resale or sale of the Unit, shall obtain a one-year Home Warranty Plan to cover each non-standard appliance and provide said warranty plan in the escrow packet.

Article IV – Porches/Patios/Golf Cart Pads

Definition of Terms:

a. A “Patio” is defined as an area outside of, and adjacent to, the exterior walls of an individual Unit, and which is covered by a hard, non-grass surface, as more particularly described herein.

Section 4.1 – Patios.

The construction of new patios is prohibited. Existing patios may remain and shall remain common area property at all times. Any use permission of the patios granted by the Board may be revoked by the Board at any time, should the Qualifying Resident fail to comply with the terms included in the Governing Documents and the use and indemnity agreement.

A Shareholder may request to remodel their Unit to extend the roof structure to cover the existing patio and the Board may approve such request and issue a permit if the following conditions are met: (1) the contractor performing the work is licensed by the CSLB as a General Contractor; (2) the contract form to be used will be the standard contract form as developed by the Physical Property Department; (3) The construction will conform to the plans and specifications approved by the architect of the Los Angeles Office of the Federal Housing

Administration; (4) a building permit is obtained from the City of Seal Beach, California; and (5) the Shareholder agrees that title to the addition and remodel shall vest in the Mutual.

Section 4.2 – Patios Rules.

4.2.1 – Use Restrictions. The Board retains sole discretion regarding items that may be stored and/or placed on patios.

4.2.2 – Items to be Stored on Patios. The following list of prohibited items and permitted items is not comprehensive. If a Qualifying Resident and/or Shareholder is unsure whether a particular item may be stored on the Patio, he/she must contact the Board. It is the Qualifying Resident and/or Shareholder’s responsibility to remove any items that violate this Section 4.3.2 within ten (10) days of notice of such violation.

4.2.2.1 – Prohibited Items. Bicycles, golf carts, walkers, shopping carts, appliances, (including refrigerators), cabinets, work benches, carpeting, rugs, or Astro-turf may NOT be stored or placed on Patios at any time.

4.2.2.2 – Permitted Items. Barbecues, patio furniture (in good condition), one (1) table, one (1) umbrella, and potted plants may be placed on Patios.

Section 4.3 – Maintenance of Patios.

The maintenance, repair and replacement of any components of the patio will be the responsibility of the Qualifying Resident/Shareholder.

Section 4.4 – Patio Liability.

The Qualifying Resident/Shareholder is responsible and agrees to be liable and indemnify the Mutual for all damage to any persons or property located within Leisure World caused by the Qualifying Resident/Shareholder’s use of the patio area. The Qualifying Resident/Shareholder shall secure liability insurance coverage with regard to the use of any Patio area. Such insurance policy or policies shall contain a policy limit of no less than three hundred thousand dollars (\$300,000.00) in coverage, and shall cover a risk of loss.

Section 4.5 – Porches.

A “Porch” is the surface covered by the building roofline and may not extend beyond the roofline. A Porch is allowed for exclusive use by the terms of the Occupancy Agreement for each unit.

Section 4.6 – Maintenance of Porches.

The maintenance, repair and replacement of any components added to the original configuration will be considered “not-standard” and will be the responsibility of the Qualifying Resident/Shareholder.

4.6.1 – Emergency Egress – Windows and Walkways. All Porch window spaces, both inside and outside, must be kept clear for emergency exit and entrance. A clear path of at least four feet (4’) must be maintained from the entrance of the Porch to the entry door of the unit. Walkways must have a clean, unobstructed pathway, free of potted plants or other items.

4.6.2 – Storage – Open Porches. After the initial thirty (30) day move-in period, the following items may not be stored or placed on open Porches: (i) any type of food, including birdseed, dog or cat food except in airtight containers; do not leave pet dishes with food on the Porch; (ii) cardboard boxes; (iii) highly flammable items, old newspapers, magazines, etc. (unless stored in approved containers). Gasoline-operated equipment or gas cans, flammable chemicals; (iv) laundry hung for airing or drying; clothing or other items may not be hung on shareholders' porches; (v) non-working refrigerators or freezers; (vi) on un-gated porches: unattended pets or pets in permanent outdoor kennels or caged (including birds); (vii) spas or hot tubs, indoor upholstered furniture.

4.6.3 – Porch Décor. Screens, panels, or drapes to block the sun must be of outdoor fire-retardant fabric and must be maintained. Porch décor must be in good taste, and obscene or offensive objects are prohibited. Porch walls may not have decorative painting.

4.6.4 – Prohibited Activities. Any workshop causing noise, odor, unsightliness, and/or unhealthy conditions is prohibited within the Mutual. Be guided by the "occasional hobby-oriented" activity rather than an ongoing business or any activity considered to be a nuisance to neighbors. Contact the Mutual Board for further information and guidance. Converting an open porch into a storeroom is prohibited.

Section 4.7 – Golf Cart Pads.

Shareholders must own a golf cart and obtain approval and follow established guidelines for the installation and use of any electric cart or scooter and any necessary pad used for parking and recharging of carts and scooters. Such pads shall not be considered a permanent change to the Unit but shall remain a "non-standard" change. Any parking or charging pad shall be removed upon the resale or transfer of the applicable share of stock at the seller's expense, unless the buyer wants the pad to remain and agrees to such in writing, including an agreement that the buyer will have a golf cart within thirty (30) days. The Shareholder constructing a golf cart pad must contact the Physical Property Department to obtain a permit which must be obtained prior to the start of any construction. Minimum width will be five feet (5') and maximum width of any cart pad will be six feet (6'). The parked cart cannot stick out beyond the pad/sidewalk meeting point. The length of the golf cart must be included as part of the permit submitted. In addition, the permit must be submitted at least three (3) weeks prior to a regularly scheduled Board meeting for Board approval.

Materials allowed: concrete, decorative pavers and decorative stone. Decorative pavers and stone must have a three-inch (3") concrete buffer on each side incorporated into the maximum width of six feet (6') for the cart pad.

By obtaining a permit for the cart pad, the Mutual Board is giving the Shareholder a temporary easement for the exclusive use of a portion of the common area. A cart pad is for parking and charging of electric golf carts. The area cannot be utilized for any use other than charging and parking a golf cart or scooter. If there is no golf cart, the property is to be returned to a grassy area, at the expense of the shareholder. The cart pad may not be used as an outdoor porch. There will be no plants, furniture or decorations of any kind on the pad. The exception would be if the

cart pad is an extension of the garden. If the plants on the cart pad fall within the garden area, they will be acceptable, as long as they do not interfere with any space required for any golf cart or scooter using the pad. Notices of violations will be given for any infraction.

Before obtaining the permit, the shareholder will sign a recordable agreement agreeing to all the terms and conditions required to obtain said permit.

All costs related to this installation shall be borne by the Shareholder, including any modifications to the existing sprinkler system which work must be performed by the Mutual's contracted landscaper.

Article V – Landscape Maintenance

Section 5.1 – Purpose of Article V.

The purpose of this Article V is to establish landscaping standards for the Mutual for the following common areas: garden areas, trees, and shrubs. A garden is a planting area, of soil, pavers or pots/plants, outside the building and uncovered, except for the roofline. Compliance with this Article V in conjunction with the Shareholder's execution of a license, maintenance, use and indemnity agreement, will permit Shareholders to temporarily utilize a certain common area property, subject to the limitations set forth herein, and in any other Governing Document of the Mutual. Common area property, being temporarily utilized by a Shareholder, pursuant to such a license agreement shall remain common area property. Temporary use permission of the common area property granted to a Shareholder may be revoked by the Board of Directors at any time.

Section 5.2 – Resident Garden Areas.

All Shareholders may maintain a garden area (or flowerbed area) in front of their Unit, defined by this Section as being forty inches (40") deep along the outside frontage length of the Unit, measured from the face of the building, toward the sidewalk. The garden area may conform to the width of the majority of other Units on the same side of the building, which, in some cases, exceeds forty inches (40"). End of building Unit garden areas shall be up to forty inches (40") deep from the side face of the building. Garden areas will be brought to conformity with adjacent gardens upon the resale or transfer of the Shareholder's share of Stock. All garden areas are site-specific and must be approved by the Board of Directors.

Section 5.3 – Trees within Garden Areas.

Trees may not be planted in garden areas, except in tubs, with cement pavers underneath and they must be kept eighteen inches (18") below the eaves.

Section 5.4 – Plants within Garden Areas.

Shareholders may plant any greenery of their choice within the Shareholder garden area with the exception of those plants on the prohibited list, set forth in Exhibit B entitled Non-Approved Plants. Plants with invasive root growth that could potentially damage the Mutual structures and walkways are prohibited. Vines are not permitted to climb on any structures. If a trellis is used, it must be free-standing and be kept eighteen inches (18") below the eaves and twelve inches (12")

from the building. All plants must be trimmed back twelve inches (12”) from building walls. Shrubs shall not block electric meter panels.

Section 5.5 – Pest Control and Fertilization within Garden Areas.

Fertilization and plant pest control within the garden area are the responsibility of the Shareholder, at the Shareholder’s sole expense. Watering the garden area is also the responsibility of the Shareholder. At the Shareholder’s expense, sprinklers may be added within the garden area by the Mutual’s landscape contractor by permit. Maintenance of these sprinklers will be at the Shareholder’s expense. Pesticide application requires careful attention to prevent endangerment to other shareholders and their pets, as well as to beneficial insects.

Section 5.6 – Potted Plants.

Potted plants are not permitted on entrance walkways; nor can they inhibit the thirty-six-inch (36”) to forty-eight-inch (48”) entry requirement. Nothing may in any way interfere with mowing, edging, or emergency access to the Unit. Further, potted plants are not permitted on top of, or hung from Padmount transformers, nor on telephone vaults or walk lights. Potted plants are permitted in garden areas provided that Cement pavers are under all pots containing trees or large plants.

Section 5.7 – Maintenance of Garden Areas.

After cleaning garden areas or raking leaves, Shareholders should place the leaves or debris in the proper trash bins. At the time of escrow or transfer of stock to a new Shareholder, the Mutual Inspector and the Mutual Board will signify any plants, shrubs or trees that need to be removed. The cost of such removal will be the expense of the seller or transferee of ownership. Planting will be in accordance with the current Mutual Rules and Regulations. If the new Shareholder wishes to do the planting, it will be at his/her expense. Shareholders may design a garden area with curves up to ten percent (10%) within thirty-six-inch (36”) to forty-eight-inch (48”) to enhance their garden areas. First, Shareholders must submit a plan and drawing of the proposed garden area to the Mutual Board prior to work being performed. If approved, the plan and drawing will go into a file for that Unit and be grandfathered in, so that the garden area does not have to be returned to its original configuration if the Shareholder sells their share of stock. Shareholders are expected to maintain their flower bed areas to enhance the Mutual and be aesthetically appealing to the appearance of the Mutual. If a Shareholder does not adhere to the requirements of the Rules, the Mutual will advise the Shareholder, in writing, of the problem to be corrected and may take disciplinary action. If, at the time of sale of the Unit, it is determined by the Board that the edging has been altered without the express written consent of the Board, it may have to be returned to its original condition at the same of the sale of the Unit, costs to be paid by the selling Shareholder.

Section 5.8 – Flower Bed in Garden Area.

Every Shareholder is allowed the privilege of a flower bed area in front of their Unit. Flower beds are cultivated, weeded, and trimmed periodically by the Mutual’s landscape contractor. Shareholders who desire to do the work themselves may alert the gardeners by placing red flags within the flower bed. Flags are available from the Garden Committee Chair. Gardeners are

instructed to remove weeds from all flower bed areas, including Baby's Tears, wild mint, ivies, and plants of the spiderwort family. These plants can spread onto the lawns or invade neighboring gardens. Gardeners will not be responsible for damage to objects in the flower bed area.

Section 5.9 – Prohibited Uses of Garden Area.

Front and side gardens may not be used as storage areas. Items such as garden soil, empty pots, garden tools, potting tables, cabinets, scaffolding, shelving, bikes, kayaks and/or surf boards are prohibited in front and side gardens and may not block Unit windows. Exceptions are made for areas where pavers have been installed for barbecue equipment, electric scooter or golf cart storage.

Section 5.10 – Plants may not Touch any Structure.

In no instance are plants of any sort permitted to become entwined, lay upon, or in any manner touch a roof, an exposed beam, or any portion of a structure, including gutters, as these conditions invite termites, rats, and mice. Any plant materials in the flowerbed whose roots are damaging the building structure, walkways, lawn area, or retaining wall must be removed at the expense of the Shareholder and the damages repaired at the Shareholder's expense. Plants not already trimmed to acceptable standards of one foot (1') (twelve inches, 12") from the building and decorative blocks, eighteen inches (18") from the eaves, will be cut back at Shareholder's expense.

Section 5.11 – Entrance Walkways.

Entrance walkways, from the sidewalk to the structure/porch, must be kept free always of potted plants and all other impediments, including electric carts. Nothing that will in any way impede the full use of the thirty-six-inches (36") wide walkway and entry from the sidewalk to the entrance onto the porch is permitted to remain on the walkway. Plant materials must not extend outside the flower bed limits over scallop borders, walkways, turf areas, or into neighboring flower beds.

Section 5.12 – Stackable Gardens.

Shareholders are allowed to have "stackable gardens." However, the garden must contain only approved plants and must be kept twelve inches (12") from the building wall and may not go above the decorative fence or be twenty-four inches (24") high from the ground. Plants may not be stacked on the block walls.

Section 5.13 – Overgrown Flower Bed.

If a flower bed is deemed to be an eyesore by the Landscape Committee and provides hiding places for spiders and rodents, then the Landscape Committee will report this information to the Mutual Board. The Mutual Board will then request that the Shareholder be asked, in writing, to clean it out. If the Shareholder does not clean out the "overgrown" flower bed and/or overabundance of potted plants, then the Mutual will arrange for the gardening contractor to do it. The Shareholder will not be reimbursed for any plants, pottery, containers or non-authorized "items" in the flower bed. The cleanout shall be done at the Shareholders expense.

Section 5.14 – Approved Plants.

The Shareholder may choose appropriate plants after consulting with the Mutual’s landscape contractor, a local garden center, Exhibit “A” – Non-Approved Plants, or by observing plants in neighboring flower beds that are prospering.

Section 5.15 – Non-Approved Plants.

The flowers, plants or trees listed on Exhibit “A” may not be planted in garden areas effective as of the date of adoption of these Rules. However, they may be planted in pots and placed on the porch or in the garden on pavers. Additional prohibited flowers or plants may, in the future, be added to this list by the Board of Directors. Any tree or plant will be removed if deemed by the Mutual’s landscape contractor or GRF Building Inspector to have roots that will cause damage to the sewers or infrastructure.

Section 5.16 – Fruits and Vegetables.

Vegetables may be planted in Mutual flower beds.

Section 5.17 –Trees in the Common Area.

Trees are the responsibility of the Board of Directors, including planting, care and removal. Trees may be planted in common areas only, not in a Shareholder’s garden area. Trees must be on the list of approved trees and the planting must have preapproval by the Board of Directors. Replacement or new trees may be planted in select locations at the Mutual’s expense. All new trees will be mulched, and no plants or pots will be allowed under the trees. Consultation with the Mutual’s landscape contractor is required in all tree decisions. EXCEPTION: Shareholders may submit a request in writing to the Board of Directors to have a tree planted by the Mutual at the Shareholder’s expense. All planting of trees shall be done after review by the landscape contractor and the Board of Directors approval. The Shareholder may, generally, choose the planting site if approved by the landscape contractor after considering, among other criteria, the existing sprinkler system, adequate space for roots, proper clearance from any structure, appropriate variety of tree for the location, etc. A memorial plaque can be ordered to be placed by the tree with the following guidelines: (i) plaque must be bronze, not to exceed six inches (6”) by ten inches (10”) in size; (ii) engraving will consist of the name of the person to be honored, for example: “In honor of...” or “In memory of...”; (iii) the design for the plaque must be submitted to the Board of Directors for prior approval; and (iv) the cost of the plaque shall be paid by the Shareholder.

Due to disease, falling branches, leaning dangerously, or other causes, a tree may need to be removed. In every case, the landscape contractor will be asked to inspect the tree and provide an opinion. Specifications and a bid process will be used for the removal of trees, except for some very small trees. Small trees with obvious problems may be removed by the Mutual’s landscape contractor upon approval of the Board of Directors.

Section 5.18 – Planting Tree Wells.

All Shareholders are prohibited from planting or placing any items or vegetation within the tree wells on their greenbelts.

Section 5.19 – Turf Areas.

Turf areas are described as the ground areas located outside the Unit's flowerbed area. The Mutual is responsible for the maintenance of this area. Shareholders are not permitted to install, maintain, remove, or relocate plants or any other landscaping materials, in the turf areas, around trees, irrigation corners on green belts, or around light poles. Any plants or other landscaping material that is placed in a turf area by a Shareholder may be removed at Shareholder's expense. The Mutual Board has the authority to authorize such removal. Shareholders are not permitted to install, relocate, or adjust turf area sprinklers. Shareholders are not permitted to mow, hand-water, fertilize or seed turf areas. Areas inadequately irrigated by the sprinkler systems should be reported to a Director for correction of the problem by the Mutual's landscape contractor. Damage to the turf areas by Shareholders will be repaired by the Mutual's landscape contractor and all expenses will be covered by the Shareholder. The Shareholder may also be subject to a fine. The Mutual will not plant or replace trees in the Mutual turf areas unless there is an eight-foot (8') clearance from the entrance walkway and an eight-foot (8') clearance from the sidewalk, or an eight-foot (8') radius. Temporary use of turf areas by Qualifying Residents is allowed (examples could be a picnic, party, moving, construction material storage, holiday decorations, etc.). Projects requested in writing by Shareholders that would result in changes to turf areas must be approved in writing by the Board of Directors or as part of a building permit. The work involved in such projects must be performed by the Mutual's landscape contractor, with the cost of such work charged to the Shareholder, unless otherwise decided by the Board of Directors.

Section 5.20 – Laundry Room Planters.

Laundry room planters are a part of the Mutual's landscape/lawn property – they are not for Shareholder's use, unless Shareholder receives prior written approval from the Board of Directors. If a Shareholder infringes upon this area, the Mutual will ask the Shareholder to remove such infringements. If the Shareholder does not remove them, the Mutual will have the infringements removed with no compensation to the Shareholder.

Section 5.21 – Lamp Posts.

8.1.1 No camera may be trained or focused on the interior of another Unit, on another Unit's front door, or anywhere else other Shareholders have a reasonable expectation of privacy. Security cameras shall not encroach upon common areas of the Mutual or another Shareholder's Unit.

8.1.2 The use of cameras for surveillance or security purposes is done at the installing Shareholder's own risk and such Shareholders understand that cameras may serve as a deterrent but may not actually prevent crime.

8.1.3 Allowing Shareholders to install cameras within their own units, in no way implies any responsibility whatsoever on the part of the Mutual. The Mutual shall not be held liable, or otherwise responsible, for damaged property, illegal activity, and/or risk to life or limb, or any safety or security problem. All Qualifying Residents and their guests are encouraged to provide their own security measures and take safety precautions as necessary, subject to the limitations set forth in the Mutual's Governing Documents. Each Shareholder is responsible for providing their own insurance coverage in the case of criminal activity, property damage, and/or liability.

8.1.6 Shareholders shall indemnify the Mutual and/or its Shareholders for loss or damage caused by the installation, maintenance or use of the security cameras, including but not limited to any injuries sustained and/or medical costs incurred to any persons installing, maintaining and/or removing security cameras.

8.1.7 Any Contractor employed by Shareholders to provide security camera installation, maintenance or removal services must hold all licenses which may be required by state law and/or local ordinance, and maintain a current policy of public liability, workers compensation, and property damage insurance which does not contain any endorsements or exclusions for work performed at common interest developments. The Mutual, the Mutual's managing agent, and the installing Shareholder(s) shall be named as additional insureds on the installer's policy of insurance.

8.1.8 Any incursion into the structure (roofs, walls, etc.) that results in damage or water/moisture penetration and any costs incurred related to such damage shall be the sole responsibility of the Shareholders to fully reimburse the Mutual to repair and remediate such damage.

8.1.9 If the security camera is removed for any reason, the Shareholders shall remediate any holes and/or penetrations that were made relative to the installation of the security camera. Shareholders shall be solely responsible for restoring the exterior of the Unit, any Mutual property, and/or any common area within the Mutual to its original condition, prior to the installation.

8.1.10 When a Shareholder sells their Unit, the Shareholder shall require the new Shareholder to accept responsibility in writing or to remove the security camera and its associated components of the installation and restore the property as described above. Should the new Shareholder fail to accept such responsibility, the Shareholder is responsible for removing any security cameras installed.

8.1.11 Any video footage recordings made by the Shareholder's security cameras are the sole property and responsibility of the Shareholder. The Mutual shall bear no responsibility nor have any liability for the recordings. The Shareholder shall indemnify the Mutual and its managing agents in the event any loss or damage is caused due to any unlawful recording and/or dissemination of video footage obtained by the security camera, by the Shareholder and/or any third party.

8.1.12 Pursuant to California Penal Code § 632, it is unlawful to use a recording device to record the communication between parties, without the consent of all parties to a confidential communication. Individuals may have an expectation of privacy in their conversations and any security camera installed should not record audio.

15.8.1 – Use of Social Media by Shareholders

15.8.1.1 Administrator(s) of any social media page or website may not prominently feature the name of the Mutual in the page title or otherwise mislead viewers and/or visitors of the social media page into believing it is a Mutual-

maintained site. The page must include a prominent disclaimer clearly stating that the site is not run by or associated with the Mutual and only represents the views of individual shareholders and not that of the Board or Mutual.

15.8.1.2 Posts containing any of the following items are prohibited and will be deemed a violation of this Social Media Policy:

- a. Personal attacks of any kind against or harassment of any member of the community.
- b. Information that may compromise the safety, security, or proceedings of any legal action pertaining to the Mutual.
- c. Any Mutual documents, minutes, or financials intended to be accessed by shareholders only.

15.8.2 – Enforcement

15.8.2.1 In the event any content is found to be contrary to this Social Media Policy, the shareholder posting such content will be deemed in violation of this policy and the Mutual’s governing documents.

Section 15.9 – Teleconference and Videoconference Meetings Policy.

The Mutual recognizes the importance of shareholders of the Mutual to have the ability to exercise their rights under the law to attend open meetings and address the Board thereat with respect to issues related to the Mutual, and is committed to working with Shareholders to help them exercise such rights during times when in-person Board meetings are prohibited by order of State and/or Local governmental agencies. The Mutual recognizes that in order to fulfill its responsibilities, it must impose reasonable guidelines on open meetings to take place via teleconference and videoconference. Therefore, the Mutual has adopted this Policy on Teleconference and Videoconference Meetings (“Meetings Policy”), which sets forth reasonable guidelines for the Board and Shareholders who wish to attend Board meetings via teleconference and/or videoconference.

The Meetings Policy is designed to aid Shareholders and the Board in the process that must be complied with in order to properly hold and attend a Board meeting via teleconference and/or videoconference.

15.9.1 – Guidelines

15.9.1.1 Board meetings to take place via teleconference and/or videoconference shall take place via Zoom or similar service. Zoom is a cloud-based conferencing platform which offers video and audio conferences as well as wireless screen-sharing. Zoom will be free to use for all Shareholders. Shareholders can access a Zoom conference call either via telephone or via video with the use of a computer, cell phone or tablet (*e.g.*, iPad) capable of running the Zoom application.

15.9.1.2 The Mutual will provide notice to the Shareholders of a Board meeting to take place via tele/videoconference by posting notice of the same in the Mutual’s

designated common area location for general notice. The general notice will provide the Shareholder with the date, time and location (if applicable) of the meeting and instruct the Shareholder to contact GRF Mutual Administration to request the dial-in/login information. The Shareholder will be provided with instructions on how to access the call via telephone or via video upon the Shareholder contacting GRF Mutual Administration at mutualsecretaries@lwsb.com or (562) 431-6586, press 8, and requesting the call-in or log-in information.

15.9.1.3 The Shareholder may not distribute the call-in or login information to any person who is not a Shareholder of the Mutual.

15.9.1.4 Telephonic/video Shareholder attendance is permitted in an open Board meeting. Shareholders may participate in an open Board meeting during the Shareholder open forum, but are otherwise not permitted pursuant to the Civil Code to participate in or interrupt the meeting. In order to make a comment during the Shareholder open forum, the Shareholder must submit their information, including their name, Unit number, and telephone number, via e-mail at mutualsecretaries@lwsb.com, by no later than 3:30 p.m., the business day before the date of the meeting. Shareholders who do not have access to email may call (562) 431-6586, press 8, by the above deadline to get on the list for Shareholder forum. All Shareholders who have submitted their names and information by the above deadline will be called upon during the Shareholder forum portion of the tele/videoconference meeting and allowed to address the Board, subject to all rules in place for Shareholder forum.

15.9.1.5 Professionalism is no less important in the teleconference and videoconference meeting space than it is in an in person open meeting. It is important to be mindful that meeting participants can see and/or hear everything that others in the meeting are doing and saying. The way that every participant speaks, and acts is a reflection of the person's role and reputation. The meeting administrator may choose to mute all meeting attendees who are not directors of the Mutual until such time as the attendee is called upon to address the Board during Shareholder forum.

15.9.1.6 Any shareholders who wish to call in to a tele/videoconference meeting by telephone, must ensure that the number they are calling from is not blocked. This is necessary so that the meeting administrator may identify attendees and un-mute the appropriate line when the Shareholder is called upon to address the Board during Shareholder forum.

15.9.1.7 The phone numbers of the Shareholders who call into the meeting will be displayed to all other participants attending the meeting via videoconference. Shareholders may not call into the meeting from a blocked number.

15.9.1.8 There shall be no recording of any Board meeting by the Shareholders.

15.9.1.9 The Shareholders shall not engage in activities or conduct that would constitute a nuisance to the other members of the Mutual. Specifically, the Shareholders shall not interrupt the meeting, or disrupt or interrupt the Board members during the open meeting.

15.9.1.10 All meetings held via teleconference and videoconference will be subject to any and all applicable Rules of the Mutual, as the same may be amended from time to time; however, if there is a conflict between the requirements of this Policy and the Rules, the requirements as set forth in this Policy will control.

15.9.1.11 Minutes of all open Board Meetings, including a tele/video conference meeting, shall be made available to all Shareholders upon request and shall be posted in accordance with the Mutual's policy applicable to all other open meetings.

Section 16.1 – General Violations.

In order to enforce the Governing Documents and Rules and Regulations, the Mutual Board may levy, assess, and collect reasonable fines as established by the Board of Directors pursuant to these Rules and the Fine Schedule attached hereto as Exhibit "B" and incorporated herein. The fines will be assessed against the Shareholder for violations by the Shareholder, members of the Shareholder's family, or the Shareholder's guests, invitees, licensee, tenants or lessees, pursuant to the following policy:

16.1.1 – Violations. If there is a violation of the Governing Documents, including the Occupancy Agreement or these Rules, any Shareholder may contact the Mutual Board or GRF, in order to report the alleged violation to the Mutual Board. Violation reports should be in writing and should describe the violation, identify the alleged violator, and identify the individual making the report. Upon receipt of a violation report, the Mutual Board will commence the enforcement process and determine whether a violation has occurred. The Mutual Board has complete discretion to decide whether or not to take action on a written violation complaint and what action, if any, will be taken. The Mutual Board may investigate any reported violation in order to determine whether the alleged violation has potential merit and, if so, whether the violation warrants action by the Board. Violations may also be noted by members of the Mutual Board, GRF, and/or staff during regular walkthroughs of the Mutual.

16.1.2 – Enforcement Procedures. The Mutual reserves the right to take legal action in order to enforce compliance with the Governing Documents at any stage in the enforcement process. Serious violations warranting immediate action may be forwarded to legal counsel with or without taking the steps outlined below. Violations which the Mutual Board decides to address internally will be dealt with as follows:

a. Upon determination that an alleged violation has potential merit, a courtesy notice (warning letter) may, in the discretion of the Mutual Board, be sent to the allegedly offending Qualifying Resident/Shareholder ("Respondent") identifying the violation and

requesting compliance within a stated period of time. A courtesy notice is not required prior to calling Respondent to hearing.

b. The Mutual shall send a notice of hearing to the Respondent stating the nature of the alleged violation, referencing the specific provision of the Governing Documents which the Respondent is alleged to have violated, and inviting the Respondent to appear at a hearing before the Mutual Board to be held no sooner than fifteen (15) days from the date of the notice. The notice shall further advise the Respondent of his or her right to attend the hearing, submit a statement of defense to the Mutual Board in advance of the hearing or present a statement of defense and supporting witnesses at the hearing. If the Respondent does not attend the hearing, the Respondent waives these rights.

c. The Mutual Board shall conduct the hearing in executive session (unless requested otherwise by the Respondent) and shall afford the Respondent a reasonable opportunity to be heard.

d. If the Shareholder is found to be in violation of the Governing Documents following the hearing, the Mutual Board may do any of the following, as noted in the hearing notice:

- i.** Impose a monetary fine against the Shareholder pursuant to the Fine Schedule.

- iii.** Declare the Shareholder to be not in good standing as set forth in these Rules.
- iv.** Suspend the Qualifying Resident/Shareholder's rights to use the recreational facilities if and as provided in the Mutual Governing Documents.
- v.** Any combination of the above.

e. Any disciplinary action taken should be recorded in the minutes of the meeting at which the disciplinary action was taken by the Mutual Board. No action against the Respondent arising from the alleged violation may take effect before five (5) days after the hearing.

f. The Mutual Board shall provide the Shareholder with written notice of the outcome of the hearing and any disciplinary action taken by the Mutual Board within ten (10) days after the hearing. In the case of a continuing violation, the notice of hearing decision may include a notice of a continuing fine, if authorized by the Fine Schedule, or notice of a subsequent hearing on the same violation to be held no sooner than thirty (30) days from the original hearing date, unless the violation is sooner remedied.

g. Fines imposed by the Mutual Board after a hearing shall be due immediately upon notice of the hearing decision to the Owner. Special Assessments levied by the Mutual Board

shall be due thirty (30) days from the date of the notice of hearing decision, or upon such other later date specified therein not to exceed sixty (60) days from the date of the notice.

16.1.3 – Fine Schedule. The schedule of monetary penalties which the Mutual Board may impose for general violations in accordance with the above procedures is attached to these Rules as Exhibit “B”. The Mutual Board reserves the right to revise the Fine Schedule at any time through a rule change procedure and the most recent Fine Schedule shall be distributed to the Shareholders on an annual basis. Fines for parking violations are not included in Exhibit “B” but, rather, are set forth below in the Parking Fines Article.

Section 16.2 – Parking Violations.

Any Shareholder or Qualifying Resident charged with the violation (Violator) can pay the fine or the Violator has the right to contest the “rules violation” in writing to the Parking Rules Violations (PRV) panel within ten (10) business days of the date of the violation. If Shareholder provides written notice that they are contesting the violation, a hearing will be scheduled by the PRV of the Mutual. Violator may submit a response in writing within ten (10) business days of the violation to the PRV, if they are unable to attend the hearing. Shareholders will be notified in writing of the results of the hearing within fifteen (15) business days. Except that contractors will be adjudicated by the Facilities Director, Health Care Center (HCC) employees will be adjudicated by HCC management and GRF employees will be adjudicated by GRF Human Resources Department.

16.2.2 The Notice Handout supplements the Citation and must contain the following: (i) the date, time, and place of the hearing; (ii) the nature of the alleged violation (including the date/time and location) for which a Shareholder may be disciplined; (iii) a statement that the Shareholder has a right to attend the hearing and present evidence. (Civil Code § 5855(b)); (iv) notification that a failure to respond will acknowledge acceptance of the violation and the corresponding fine may be imposed; and (v) A section to indicate the need for an interpreter and the language requested. The PRV must be notified at least ten (10) business days prior to the hearing if the Shareholder will bring an interpreter.

16.2.3 A Shareholder may request one (1) extension of the panel hearing under these following circumstances: (i) an extension of Hearing date at least forty-eight (48) hours prior to the scheduled PRV hearing with no explanation; (ii) an extension for medical, health or family issues; (iii) the written notification to the PRV panel that the Violator is bringing a lawyer. This will require a minimum thirty (30) day extension to ensure Mutual attorney will be present; or (iv) a second extension may be granted by the PRV.

16.2.4 The Shareholder has the right to examine and refute evidence. The photos may be viewed in the Security Office by appointment. The Security Department will have a representative present to explain all relevant information and evidence. This may include questions during the

hearing. Shareholders also have the right to submit their defense in writing rather than make an appearance before the PRV. The Shareholder may bring an Observer or interpreter. The PRV panel hearing is a closed meeting. Hearings will be held in executive session. The Shareholder may request an open hearing. If the Shareholder does not appear at the scheduled hearing without prior notification to the PRV panel, this will be accepted as agreement by the Shareholder of the validity of the violation and the appropriate fine may be assessed.

16.2.5 The PRV panel shall make “findings” to support the panel’s decision regarding the alleged violation. Findings may allow for vacating the citation. Notice of the panel’s decision must be given by first-class mail within fifteen (15) business days following the PRV’s decision. The letter of decision shall include the PRV panel’s findings.

16.2.6 The PRV panel will consist of the Board of Directors or its designees. The PRV panel will meet as needed once a month at a date, time and location as determined by the members of the PRV panel. A second meeting will be scheduled if the volume of hearing requests is too large.

Section 16.3 – Reporting Violations.

Any Qualifying Resident or Shareholder, including any director serving on the Mutual Board, may report violations by contacting Security or the Mutual Board. Such reports shall constitute a complaint and will be documented in writing to include the time, date, nature of violation, circumstances, and location and address of person or persons responsible. The complaint will be provided to the Mutual Board for review and, if necessary, enforcement action. Individuals reporting violations can remain anonymous.

Section 16.4 – Enforcement Procedures.

In addition to the procedures and remedies set forth herein, the Mutual may take an action in law or in equity to recover damages, obtain injunctive relief, or obtain any other appropriate legal or equitable relief that may be available to the Mutual.

ARTICLE XVII – COLLECTION POLICY

Section 17.1 – Regular and Special Assessments.

Regular assessments are due and payable, in advance, on the first day of each month. If imposed, special assessments and reimbursement assessments shall be due and payable on the due date specified by the Mutual Board. Regular, special and reimbursement assessments (hereinafter collectively referred to as “Assessments”), interest, late charges, collection costs and reasonable attorney’s fees, if any are imposed, are the personal obligation of the person who is the owner of the shares of stock associated with the Unit at the time when the assessment or other charge fell due.

Section 17.2 – Late Charges.

Assessments are delinquent fifteen (15) days after they become due. A late charge not exceeding ten percent (10%) or ten dollars (\$10.00), whichever is greater, may be applied if payment in full of any Assessment is not received thirty (30) days after the payment is due. A late charge will not be imposed more than once per delinquent installment.

Section 17.3 – Interest.

An interest charge at a rate not to exceed twelve percent (12%) per annum will be assessed against any outstanding balance, including delinquent Assessments, late charges, and cost of collection, which may include attorney's fees. Such interest charges shall accrue thirty (30) days after the Assessment becomes due and shall continue to be assessed each month until the account is brought current.

Section 17.4 – Additional Charges, Costs and Attorney's Fees.

Pursuant to Civil Code Section 5650(b), the Mutual is entitled to recover reasonable collection costs. Such collection costs include, without limitation: All late charges, interest, attorney's fees, management costs, mailing costs, recording costs, publication costs and service costs. Such collection costs will become the liability of the delinquent Shareholder. It is the policy of the Mutual not to routinely waive any duly imposed collection costs. Please also note that returned checks may be subject to a service fee.

Section 17.5 – Application of Payments on Delinquent Assessments.

Payments received on delinquent Assessment accounts will be applied first to the Assessments owed, and then applied to collection costs, administration fees, attorney's fees, late charges, interest, and any other amount due to the Mutual in connection with collection of delinquent Assessments.

Section 17.6 – Special Assessment.

If a special Assessment is payable in installments and an installment payment of that special Assessment is delinquent for more than thirty (30) days, all installments will be accelerated, and the entire unpaid balance of the special Assessment shall become immediately due and payable. The remaining balance shall be subject to late charges, interest, costs of collection, and lien rights as provided herein.

Section 17.7 – Unlawful Detainer.

If the delinquent Shareholder does not bring the account current within thirty (30) days of notice of the delinquency, the Mutual can seek unlawful detainer and eviction pursuant to the terms of the Shareholder's Occupancy Agreement.

Section 17.8 – Partial Payments.

Any Assessment payments received from a delinquent Shareholder will be applied to that Shareholder's account. However, absent receipt of payment in full of all amounts due, the Mutual will proceed with any unlawful detainer action initiated against the Shareholder's separate interest, or the delinquent Shareholder personally, pursuant to and consistent with the

requirements of California statutory and case law unless the payments are remitted pursuant to a written payment plan approved by the Mutual Board.

Section 17.9 – Lawsuit.

The Mutual may, at any time, determine to file a personal lawsuit against the delinquent Shareholder to recover all delinquent charges pursuant to relevant law. All costs and attorneys fee in connection with the lawsuit, in addition to the delinquent charges and other collection costs, will be sought from the delinquent Shareholder.

Section 17.10 – Attorney’s Fees.

If a lawsuit or unlawful detainer action is initiated by the Mutual to recover Assessments, the Mutual is entitled to recover not only the amount in default, but also reasonable costs of collection, including title company charges and attorney’s fees as provided for by statute, as well as the Mutual’s Bylaws, the Shareholder’s Occupancy Agreement, and/or other Governing Documents.

Section 17.11 – Suspend Privileges.

The Board may, having provided the Shareholder with a Notice of Hearing pursuant to Civil Code Section 5855, suspend the common area privileges of any Shareholder who is more than thirty (30) days delinquent in paying any Assessment. Common area privileges will remain suspended until the delinquency, including any accumulated penalties, interest and costs of collection, has been paid in full.

Section 17.12 – Secondary Address.

Shareholders have a right to identify in writing to the Mutual a secondary address for purposes of, without limitation, collection notices delivered pursuant to these Collection Rules. Upon receipt of a written request from a Shareholder identifying a secondary address, the Mutual shall send notices to that secondary address.

Section 17.13 – No Right of Offset.

There is no right of offset. A Shareholder may not withhold Assessments owed to the Mutual on the alleged grounds that the Shareholder would be entitled to recover money or damages from the Mutual based on some other obligation or some claim of another obligation.

Section 17.14 – Charges and Fees Subject to Change.

All charges and fees set forth in these Collection Rules are subject to change upon rule change notification to the Shareholders.

Section 17.15 – Dismissal of Action Upon Payment.

Within twenty-one (21) days of payment in full of all delinquent Assessments and charges, the attorney will dismiss the unlawful detainer action, and will provide the Shareholder with a copy of such dismissal.

Section 17.16 – Right to Receipt.

When a Shareholder makes a payment, the Shareholder may request a receipt and the Mutual shall provide same which shall indicate the date of payment and person who received such payment.

Section 17.17 – Overnight Payments.

Payments may be made by overnight mail to the following address: Leisure World, Attn: Cashier, Finance Office, P.O. Box 2069, Seal Beach, California 90740.

ARTICLE XIX – LEASING RULES AND REGULATIONS

The Board of Directors (“Board”) of Seal Beach Mutual No. Ten (“Mutual”) has adopted the following Leasing Rules and Regulations (“Leasing Rules”) in accordance with Civil Code § 4740, et seq., to establish certain procedural rules for the rental of Units within the Mutual. To the extent that these Leasing Rules conflict with the Governing Documents of the Mutual, these

Leasing Rules are intended to replace and supersede the provisions of the Mutual's Governing Documents, including without limitation, the Occupancy Agreement, Rules and Regulations and Policies, that discuss the rental or lease of a Unit. These Leasing Rules were revised and adopted by the Board to comply with the changes to California Civil Code §§ 4740 and 4741 which take effect on January 1, 2021, pursuant to California Assembly Bill 3182.

Section 19.1 – Definitions.

For the purposes of these Leasing Rules the definitions set forth below shall apply. To the extent any term is capitalized herein but not defined, the definition set forth in the Mutual's Bylaws shall apply.

- a. **Lease:** a lease or rental agreement, whether or not in writing and regardless of whether any consideration is paid, entered into between a Shareholder and a Tenant for the Tenant's occupancy of the Shareholder's Unit.
- b. **Tenant:** a person who occupies any portion of a Unit at the Development pursuant to a Lease, irrespective of any rent paid or compensation given to the Shareholder of the Unit for such occupancy. All Tenants must sign the Addendum as further described in these Leasing Rules. Only persons who have signed the Addendum may reside in the Unit.

Section 19.2 – Leasing of Units.

The rental or leasing of any Unit shall be subject to the provisions set forth herein. When the term "rent" is used herein, it shall be deemed to mean and include the rental and/or leasing of a Unit.

Section 19.3 – Residential Purpose.

Each residence shall be used only as a residential dwelling for a single household. A Shareholder may rent/lease his or her Unit for such residential purpose under a Lease, pursuant to these Leasing Rules. The number of persons residing in a Residence at any time shall comply with the Shareholder's Occupancy Agreement and Addendum, all City and County codes, regulations, and ordinances regarding the occupancy of residential dwellings, and may not exceed any occupancy limits established under such codes, regulations, or ordinances.

Section 19.4 – Addendum to Occupancy Agreement.

Any Shareholder approved by the Mutual to lease out his/her Unit is required to execute an addendum to his/her Occupancy Agreement ("Addendum"). Such Addendum will also require the signature of each Tenant. The failure of the Shareholder and/or the Tenant to sign the Addendum shall be deemed a waiver of the Shareholder's right to rent the Unit.

19.4.1 – Cost of Addendum. Shareholder shall pay the cost incurred by the Mutual for the Mutual's legal counsel to prepare such Addendum, in addition to the cost to have the Addendum notarized and recorded, if required by the Mutual, promptly upon request.

Section 19.5 – Restriction on Number of Units Leased.

19.5.1 No more than twenty-five percent (25%) of the Units in the Mutual shall be rented at any time (the “Leasing Cap”).

19.5.2 A Shareholder desiring to rent his or her Unit may submit to the Board a written request for approval to rent. No Shareholder shall rent his or her Unit prior to receiving written approval from the Board.

19.5.2.1 The Board shall respond to any Shareholder’s written request for approval to rent the Shareholder’s Unit within thirty (30) days of the Board’s receipt of such request. If the Board does not respond to the Shareholder’s written request at the Shareholder’s last known address of record within this time period, permission to rent shall be deemed to have been approved by the Board.

19.5.2.2 The Board shall deny a Shareholder’s request for approval to rent the Shareholder’s Unit if the number of rented Units, plus the number of Units for which other Shareholders have received Board approval to rent but which are not yet rented, plus the Shareholder’s Unit (the “Leased Unit Calculation”) exceeds twenty-five percent (25%) of the Units in the Mutual. If the Leased Unit Calculation does not exceed twenty-five percent (25%) of the Units in the Mutual, the Board shall grant a Shareholder’s request for rental approval.

19.5.2.3 In the event a Shareholder’s request for approval to rent is denied, the Shareholder shall be placed on a waiting list maintained by the Mutual, and the Shareholder shall be given an opportunity to rent his or her Unit when such Shareholder’s name is first on the waiting list and the Leased Unit Calculation no longer exceeds twenty-five percent (25%) of the Units in the Development.

19.5.2.4 If a Shareholder who has been approved to rent his or her Unit fails to rent his or her Unit within ninety (90) days of the date of rental approval, the Shareholder’s written approval to rent from the Board shall expire. In such event, the Shareholder shall be required to submit a new written request to rent his or her Unit in accordance with the foregoing provisions.

19.5.2.5 If a Lease for an approved rental of a Shareholder’s Unit expires or terminates and the Shareholder does not enter into a new Lease for the Shareholder’s Unit within ninety (90) days of the expiration or termination of the prior Lease, the Shareholder’s written approval to rent shall expire. In such event, the Shareholder shall be required to submit a new written request to rent his or her Unit in accordance with the foregoing provisions.

19.5.2.6 At no time may a prospective Shareholder or any non-Shareholder be added to the Wait List.

Section 19.6 – Lease Requirement

19.6.1 Subject to the Leasing Cap, and the provisions set forth above, a Shareholder may rent his or her Unit pursuant to a Lease that is: (i) in writing; (ii) for a term of at least thirty (30) days (the “Minimum Lease Term”); and (iii) subject in all respects to the Governing Documents,

including, but not limited to, the Occupancy Agreement, provided it does not conflict with the terms contained herein.

19.6.2 The Shareholder is required to provide the Tenant with a copy of all Governing Documents, and any amendments thereto for the duration of the tenancy and Lease and ensure that the Tenant understands and acknowledges, and agrees to be bound by the same. The Shareholder must provide the Mutual with written confirmation of the foregoing. The Lease shall include a statement that any failure by the Tenant to comply with the Governing Documents will constitute a default under the Lease. The following paragraph, or a substantially similar paragraph, shall be included in each Lease: "In accepting this Lease, Tenant acknowledges that Tenant has received, read, and understands Occupancy Agreement for Unit ____, dated ____, and any addendum thereto, and the Bylaws, rules, regulations, and policies of Seal Beach Mutual No. Ten (the "Governing Documents"). Tenant agrees to comply with the terms of the Governing Documents, and acknowledges that any failure by Tenant, or Tenant's family members, social guests, houseguests, servants, employees, or agents, to comply with the terms of the Governing Documents shall constitute a material default under this Lease and may result in the early termination of this Lease."

19.6.3 No less than the entirety of a Unit may be rented under a Lease, or otherwise. Notwithstanding the foregoing, one (1) roommate paying rent to a Shareholder may reside simultaneously with a Shareholder in the Shareholder's Unit.

19.6.4 No sub-rental of a Unit shall be permitted, and no Unit may be used for vacation rentals (for example only, listed on Airbnb, VRBO or a similar website) or rented to a corporate housing company.

19.6.5 No Unit may be leased for hotel or transient purposes.

19.6.6 The Lease must provide that upon the notice of intent to transfer Stock, the Lease shall terminate, and the Tenant must vacate the premises and remove all personal property within thirty (30) days. The transfer of Stock cannot take place unless and until Tenant has vacated the Unit.

19.6.7 Each Shareholder shall be responsible for any and all violations of the Governing Documents committed by any Tenant, or any guest or invitee of Tenant, of the Shareholder's Unit.

19.6.8 Each Shareholder shall be deemed to have agreed to save, hold harmless, indemnify, and defend the Mutual and its Directors, officers, agents, representatives, attorneys and employees from and against any and all claims, demands, actions, causes of action, liabilities, damages, and expenses arising out of, or incurred as a result of, the rental/leasing of the Shareholder's Unit, together with all costs, expenses, and actual attorneys' fees resulting therefrom.

19.6.9 Tenant must acknowledge the Mutual's right to initiate an unlawful detainer action against the Shareholder in the event: (i) the Tenant fails to abide by the terms of the Mutual's Governing Documents and the Shareholder fails to initiate an unlawful detainer action within thirty (30) days of notice from the Mutual Board of the same; and/or (ii) the Shareholder's

Share of Stock is terminated. Any expenses and attorney's fees incurred by the Mutual, shall be paid as set forth in these Leasing Rules.

Section 19.7 – Exemptions; Enforcement.

19.7.1 Upon application by a Shareholder to rent his or her Unit, the Board shall be authorized and empowered, in its sole and reasonable discretion, to grant a hardship exemption for the Shareholder with respect to the Leasing Cap. For purposes of this subsection, a "hardship" shall be defined as the need of a Shareholder to rent his or her Unit as a result of an unforeseeable event and/or because enforcement of the Leasing Cap, against the Shareholder could reasonably subject the Shareholder to suffer a severe financial difficulty.

19.7.2 If a Shareholder rents his or her Unit without approval from the Board, or otherwise in violation of the provisions of these Leasing Rules, the Mutual is authorized to pursue all of its available legal rights and remedies against the Shareholder to enforce such violation and the Shareholder shall be subject to disciplinary measures, including, but not limited to: (i) a monetary penalty in an amount to be determined by the Board; (ii) other disciplinary measures; (iii) termination of the Occupancy Agreement; (iv) injunctive relief; and/or (v) a Reimbursement Assessment in an amount equal to the costs incurred by the Mutual related to addressing such violation, including, without limitation, attorneys' fees and costs, irrespective of whether the Mutual is able to obtain a court order to evict the Tenant or otherwise effectuate the legal eviction of the non-compliant Shareholder and/or Tenant from the Shareholder's Unit.

19.7.3 Notwithstanding anything to the contrary contained in these Leasing Rules, the Leasing Cap shall not apply to: (i) any Shareholder exempted from the Leasing Cap under the Davis-Stirling Act; and (ii) the Mutual.

Section 19.8 – Unlawful Detainer.

19.8.1 Failure by a Shareholder to take legal action, including the institution of unlawful detainer proceedings to evict such Shareholder's Tenant, who is in violation of the Mutual's Governing Documents, including without limitation, the Articles, Occupancy Agreement and/or Addendum thereto, Bylaws, Rules and Regulations, or Policies, within ten (10) days after receipt of written demand so to do from the Board, shall constitute a default of the Shareholders Occupancy Agreement and/or Addendum thereto and entitle the Mutual, through the Board, to take any and all such action necessary, including without limitation, declaring forfeiture/termination of the Shareholder's Occupancy Agreement, and the institution of unlawful detainer proceedings against the Shareholder to recover possession of the Unit.

19.8.2 In any such unlawful detainer action against the Shareholder, the Mutual will seek an award of its attorney's fees and costs incurred in connection with the same pursuant to the Occupancy Agreement and/or Addendum thereto. Any other expenses incurred by the Mutual in connection with the enforcement of these Leasing Rules, including attorney's fees, shall be repaid to it by such Shareholder. Failure by such Shareholder to make such repayment within (10) days after receipt of a written demand therefor shall entitle the Board to levy a Special Assessment against such Shareholder and such Shareholder's Unit for all such expenses incurred by the Mutual.

19.8.3 The authority granted by this Section 7 shall be cumulative with all other rights and remedies of the Mutual in enforcing its Governing Documents.

Section 19.9 – Shareholder Liability.

Shareholder shall be absolutely liable to the Mutual and other Shareholders and their families, guests, tenants, and invitees for any liability arising from the acts/or omissions of such Shareholder’s Tenant. Each Shareholder who chooses to lease such Shareholder’s Unit agrees to be held liable for all acts, whether negligent or non-negligent of such Shareholder’s Tenant and/or any guests or invitees of Tenant.

Section 19.10 – Assignment of Rents.

19.10.1 – Assignment of Rents. Each Shareholder who is leasing or renting his or her Unit to a Tenant or Tenants hereby assigns to the Mutual all of the rents and any other income now due or which may become due to Shareholder pursuant to the Lease for the Shareholder’s Unit (the “Rents”), together with any and all rights and remedies which the Mutual may have against the Tenant or Tenants, or others in possession of the Unit, for the collection or recovery of the Rents so assigned. Such assignment shall be effective only upon the Shareholder’s failure to pay any Assessment within thirty (30) days after the due date, and under no other circumstances, if the Mutual accepts such assignment.

19.10.2 – Process to Effectuate Assignment of Rents. An assignment of rents pursuant to these Leasing Rules shall only be effective if it complies with the requirements of Section 2938 of the Civil Code and any other applicable law. Any costs and fees incurred by the Mutual in effectuating an assignment of rents pursuant to these Leasing Rules shall be considered a cost of collection of delinquent Assessments, for which the applicable Shareholder shall be responsible.

19.10.3 – Mutual Not a Landlord. The exercise and enforcement of the Mutual’s rights under these Leasing Rules shall in no way constitute the Mutual as a landlord or lessor under any Lease, and the Mutual shall have no such responsibility. Each Shareholder hereby agrees to indemnify, defend, and hold harmless the Mutual and its Directors, officers, agents, representatives, employees, and attorneys, as may be applicable, from and against any and all claims by a Tenant or any third party that the Mutual failed to fulfill the duties of landlord or lessor under any Lease for the Shareholder’s Unit.

19.10.4 – Payment of Rents to Mutual. Each Shareholder irrevocably consents that the Tenant or Tenants under a Lease for the Shareholder’s Unit, upon receiving from the Mutual notice of an assignment of rents pursuant to these Leasing Rules, shall pay the Rents to the Mutual without incurring any liability for the failure to determine the actual existence of any Assessment delinquency claimed by the Mutual. Each Shareholder further agrees that such Tenant or Tenants shall not be liable to the Shareholder for nonpayment of the Rents to the Shareholder for Rents paid to the Mutual pursuant to these Leasing Rules. The full amount of the Rents received by the Mutual shall be applied to the Shareholder’s account; however, application of the Rents to particular Assessments and charges owed by the Shareholder to the Mutual shall be at the Mutual’s discretion to the extent not dictated by law.

19.10.5 – Mutual Powers Upon Default. The Mutual may at any time pursue legal action against a Shareholder and/or the Shareholder’s Tenant or Tenants for, or otherwise seek collection of, any Rents not paid to the Mutual pursuant to these Leasing Rules. The Mutual shall deduct from the Rents received in any such action the costs and expenses of collection, including, but not limited to, reasonable attorney’s fees.

19.10.6 – Termination of Payment of Rents to Mutual. The Mutual may continue receiving Rents assigned directly from the Tenant or Tenants of a Shareholder’s Unit until any unlawful detainer action against the subject Unit is completed by the Mutual, or until the amount of money owed to the Mutual by the Shareholder, including Assessments, late charges, interest, and collection costs, including reasonable attorney’s fees, is paid in full, whichever occurs first.

Section 19.11 – Shareholder Insurance Requirements.

19.11.1 – Property Damage and General Liability Insurance. Each Shareholder is responsible for insuring his or her personal property located within the Mutual. Each Shareholder is also responsible for insuring all buildings, structures, and other Improvements contained within or located upon the Shareholder’s Unit (including, but not limited to the Shareholders’ Residences) against fire and other casualty. Nothing in this Restate Declaration precludes any Shareholder from carrying public liability insurance as he or she may deem reasonable, however, such insurance coverage may not adversely affect or diminish any coverage under any of the Mutual’s insurance policies. If any loss intended to be covered by insurance carried by or on behalf of the Mutual occurs and the proceeds payable are reduced due to insurance carried by a Shareholder, such Shareholder shall assign the proceeds of the Shareholder’s insurance to the Mutual, to the extent of such reduction, for application to the same purposes as the reduced proceeds are to be applied.

19.11.2 – Renter’s and Landlord’s Insurance. A Shareholder whose Unit is subject to a Lease shall require as a term of the Lease that the Tenant is required, at all times during the Tenant’s tenancy and occupancy of the Shareholder’s Unit, to obtain and maintain “renter’s insurance” of no less than fifty thousand dollars (\$50,000.00), insuring, including without limitation, the Tenant for general liability, property damage, and the replacement value of the Tenant’s personal property and belongings located in the Unit from damage and loss. Such Shareholder shall also be required to maintain “landlord’s insurance” during the period of the Lease, under an insurance policy that covers the Shareholder’s Unit from financial losses connected with the Unit; such policy shall cover standard perils such as fire, and, to the extent commercially available, include coverage for accidental damage, malicious damage by tenants, and rent guarantee insurance.

19.11.3 – Proof of Insurance. Duplicate copies of the insurance policies required under these Leasing Rules shall be submitted by a Shareholder to the Board upon request. Notwithstanding the foregoing, the Mutual shall not have the obligation to confirm that any Shareholder or Tenant carries the insurance required under these Leasing Rules and/or confirm the terms of any insurance purchased by a Shareholder or Tenant.

19.11.4 – Lack of Insurance. The Mutual shall not be responsible for any damage or loss to a Shareholder’s Unit, another Unit, or the Common Area for which the Shareholder is responsible and the Shareholder does not maintain sufficient insurance coverage for the cost of repair and restoration of such damage or loss. Any failure by the Tenant to have renter’s insurance shall be regarded as a material breach of the Lease.

Section 19.12 – Tenant Eligibility.

19.12.1 – No Discrimination. No Shareholder shall execute or cause to be recorded any instrument that imposes a restriction on the rental or occupancy of the Shareholder’s Unit on the basis of race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, or genetic information, nor shall any Shareholder discriminate against or harass any prospective Tenant, or Resident of the Shareholder’s Unit because of such bases. Notwithstanding the foregoing, selection preferences based on age in the rental of a Shareholder’s Unit, imposed in accordance with Section 51 of the Civil Code or a federally approved housing program, as may be applicable, shall not constitute age discrimination.

19.12.2 – Criteria for Eligibility. All Tenants must meet the criteria for membership eligibility set forth in the Mutual’s Governing Documents, specifically the Occupancy Agreement and the Golden Rain Foundation, as the same may be amended from time to time.

Section 19.13 – Board’s Right to Impose Additional Rules and Regulations.

The Board retains the right to establish and enforce additional Rules and Regulations to implement the leasing restrictions contained in these Leasing Rules.

Section 19.14 – Tenant Not Entitled to Take Over Rights of Shareholders.

19.14.1 – Mutual Meetings and Events. Tenants may not participate in, or attend, meetings of the Mutual, including without limitation, any townhall meeting, open Board meeting, or any event intended only for the Shareholders of the Mutual.

19.14.2 – Tenant and Shareholder Required to Attend Orientation. All new Tenants within the Mutual are required to attend a New Tenant Orientation. All leasing Shareholders will be required to attend such Orientation with the Tenant. The Mutual is entitled to charge a fee for such New Tenant Orientation.

19.14.3 Tenant is not Permitted to have overnight guests.

Section 19.15 – Quarterly Inspections of Unit.

The Mutual shall conduct, at the current Maintenance hourly rate, quarterly inspections of any leased Units within the Mutual. The Mutual will provide notice of such inspection to the Shareholder, and the Shareholder is required to notify the Tenant of such inspection.

Section 19.16 – Background and Credit Checks.

Shareholder may conduct a background check and a credit check prior to entering into a lease agreement with a Tenant. Upon demand by the Board, Shareholder must present the Board with

a copy of the results of the background check and the credit check within ten (10) days of such request.

Section 19.17 – Documents to Mutual.

Within ten (10) days of execution of a Lease between a Shareholder and Tenant, the Shareholder must provide to the Mutual:

19.17.1 – Lease. The Shareholder shall provide the Mutual with a copy of the executed Lease.

19.17.2 – Tenant Contact Information. The telephone number and e-mail address, if applicable, of the Tenant, and information related to any vehicle of the Tenant, including the make, model, color, and license plate number.

19.17.3 – Shareholder Contact Information. The telephone number and any change in address of the Shareholder.

Section 19.18 – Fine Policy of the Mutual.
